(a) *Easement Upon Common Areas.* Developer does hereby establish and reserve, for itself, the ARC, the Association, and their respective agents, employees, representatives, invitees, heirs, successors, and assigns, a permanent and perpetual nonexclusive easement appurtenant over, across, under, through, and upon all of the Common Areas for the purpose of (i) constructing Dwellings and other Improvements in and to any Lots and Dwellings, (ii) installing, maintaining, repairing, and replacing any other Improvements to the Property or to the Common areas, and (iii) doing all other things reasonably necessary and proper in connection therewith; provided, however, that in no event shall Developer have any obligation to undertake any of the foregoing. In addition to the other rights and easements established and reserved herein and regardless of whether Developer continues to own a Lot or Dwelling within the Development, Developer hereby establishes and reserves for itself and its heirs and assigns, a permanent and perpetual, nonexclusive easement to have access, ingress to, and egress from and the right and privilege to use and enjoy the Common Areas and all Improvements thereon for such purposes as Developer deems appropriate; provided, however, that Developer should not exercise such rights so as to unreasonably interfere with the rights of the Owners to use the Common Areas.

(b) *Changes in Common Areas.* Developer does hereby establish and reserve unto itself and its heirs and assigns the permanent right to change, modify, and realign the boundaries of any of the Common Areas, or any Lots or Dwellings owned by Developer. Developer further reserves the right, but shall not have any obligation, to convey by quitclaim deed to the Association at any time and from time to time any portion of the Property or any Improvements thereto to be utilized as Common Areas, as Developer, in its sole discretion, may determine.

2311-683
3.03 **Reservation of Easement for Utilities.** Developer does hereby establish and reserve for itself and the Association and their respective heirs, successors, and assigns, a permanent and perpetual nonexclusive easement appurtenant over, across, under, through, and upon all portions of the Common Areas and all Lots and Dwellings which are reasonably necessary for the purpose of installing, erecting, replacing, relocating, maintaining, and operating master television and/or cable systems, security and similar systems, and all utilities necessary or convenient for the use of any portion of the Development, including, without limitation, publicly or privately owned and operated electrical, gas, telephone, water, and sewer services, storm drains and sewers, drainage systems, retention ponds, lakes, basins and facilities, lines, pipes, conduits, equipment, machinery, and other apparatus and appurtenances necessary or otherwise reasonably required in order to provide any utility service to any portion of the Development. The easements established and reserved herein shall include the right to cut and remove trees, undergrowth, and shrubbery, to grade, excavate, or fill and to otherwise take all other action reasonably necessary to provide economical and safe installation, maintenance, repair, operation, and replacement of all such utility services and the systems, equipment, and machinery used to provide the same. Notwithstanding anything provided in this Section 3.03 to the contrary, (i) the utilization of any of the easements and rights established and reserved pursuant to this Section 3.03 shall not unreasonably interfere with the use or occupancy of any Dwelling situated on any Lot and (ii) Developer shall use good faith efforts to attempt to cause any utility company or other supplier or provider of any utility service which may utilize any of the easements and rights reserved and established pursuant to this Section 3.03 to take reasonable action to repair any damage caused by such utility company or other supplier or provider of such utility service during the exercise of any rights established and reserved herein.

3.04 **Reservation of Maintenance Easement.** Subject to the terms and provisions of Section 7.02(b) below, Developer does hereby establish and reserve for the Association and its agents, employees, heirs, successors, and assigns a permanent and perpetual right and easement to enter upon any Lot or Dwelling for the purpose of installing and/or maintaining all lakes in the Development, the retention pond located on Lots 22 and 23 (said lots to be part of the Common Areas of the Development), landscaping at the entrance(s) of the Development, and mowing, removing, clearing, cutting, or pruning underbrush, weeds, stumps, or other unsightly growth and removing trash so as to maintain reasonable standards of health, fire, safety, and appearance within the Development; provided, however, that such easement shall not impose any duty or obligation upon Developer or the Association to perform any of the foregoing actions.

3.05 **Reservation of Environmental Easement.** Developer does hereby establish and reserve for itself, the ARC, the Association, and their respective agents, employees, heirs, successors, and assigns a permanent and perpetual right and easement on, over, across, and upon all Lots and all unimproved portions of any Dwellings for the purpose of taking any action necessary to effect compliance with the Architectural Standards or any watershed, soil erosion, or environmental rules, regulations, and procedures from time to time promulgated or instituted by any Governmental Authorities or the Board. The easement and right established and reserved herein shall include, without limitation, the right to implement erosion control procedures and practices, the right to drain standing water, and the right to take any other action which may be required in order to satisfy the requirements of the Architectural Standards or any Governmental Authorities. Except in the case of an emergency situation or a perceived emergency situation, the exercise by Developer or the Association of the rights reserved in this Section 3.05 shall not unreasonably interfere with the use or occupancy of any Dwelling situated on any Lot.

**ARTICLE IV
Association**

4.01 Membership. The Owner of each Lot or Dwelling shall be a member of the Association. Membership in the Association shall be appurtenant to and may not be separated from ownership of any Lot or Dwelling; provided, however, that (a) Developer shall be deemed a member of the Association and shall have one (1) vote for each Lot or Dwelling owned by Developer in the Development, (b) in the event any Lot or Dwelling is owned by more than one (1) person, then the Owner of such Lot shall designate only one (1) representative to serve as a member of the Association who shall exercise all voting rights attributable to the Lot or Dwelling owned by such Owner, and (c) no Mortgagee shall become a member of the Association until such time, if at all, that the Mortgagee becomes an Owner by virtue of foreclosure of its Mortgage and title to such encumbered Lot or Dwelling is vested in Mortgagee pursuant to a duly recorded deed. The transfer or conveyance of fee title to any Lot or Dwelling (other than by a Mortgage as security for the payment of an obligation) shall automatically include the transfer of all membership rights of such Owner in the Association with respect to the Lot or Dwelling transferred and conveyed, notwithstanding any failure of the transferor to endorse to his transferee any certificates, assignments, or other evidence of such membership. Membership or the rights and benefits in the Association may not be transferred, assigned, conveyed, or otherwise alienated in any manner separate and apart from the ownership of a Lot or Dwelling. Each member of the Association shall at all times comply with the provisions of this Declaration, the Articles of Incorporation, the Bylaws, and all rules and regulations which may from time to time be adopted by the Board or the members of the Association.

4.02 Board. The Board shall have the rights and duties set forth in the Articles of Incorporation and the Bylaws. Developer hereby retains and shall have the right to appoint or remove, with or without cause, any member or members of the Board and any officer or officers of the Association until such time as Developer no longer is the Owner of any Lot or Dwelling within the Development. Each Owner, by acceptance of a deed to or other conveyance of a Lot or Dwelling, vests in Developer such authority to appoint and remove members of the Board and officers of the Association as provided by this Section 4.02.

4.03 Voting Rights. Subject to the rights reserved to Developer in the Articles of Incorporation and Bylaws and the rights of the Association to suspend any Owner's voting rights or privileges in the Association pursuant to Section 11.01 below, the Owner of each Lot or Dwelling shall be entitled to one (1) vote in any matters submitted to the members of the Association for approval. No Owner, whether one or more persons, shall have more than one membership and one vote per Lot or Dwelling. Such voting rights shall continue to apply to each Lot or Dwelling upon the addition of any of the Additional Property to this Declaration. Each Owner, by acceptance of a deed or other conveyance to a Lot or Dwelling, consents and agrees to the dilution of his voting interest in the Association by virtue of the resubdivision of any Lot by Developer or the submission of any Additional Property to the terms of this Declaration. In no event, whether as a result of there being multiple ownership interests in any Lot or Dwelling or otherwise, shall more than one vote be allowed for any one Lot or Dwelling. Fractional voting shall not be permitted. For purposes of this Section 4.03, Developer shall be deemed to be the Owner of and entitled to all voting rights attributable to any Lots or Dwellings owned by Developer.

4.04 Duties and Powers of Association. In addition to the rights, duties, responsibilities and obligations of the Association otherwise set forth in this Declaration, the Association shall have the power to do, cause to be done, and otherwise perform or cause to be performed any of the duties and powers set forth in the Articles of Incorporation and the Bylaws. The Association may exercise any other right or privilege granted to it expressly by this Declaration or by law, together with every other right or privilege reasonably to be implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege. In the event of any conflict, ambiguity, or inconsistency between the *Code of Alabama*, this Declaration, the Articles of Incorporation, the Bylaws, or any rules and regulations adopted by the Association, then the provisions of the *Code of Alabama*, this Declaration, the Articles of Incorporation, the Bylaws, and any rules and regulations adopted by the Association, in that order, shall prevail and each Owner, by acceptance of a deed or other conveyance to a Lot or Dwelling, covenants and agrees to vote in favor of and execute any amendments as may be necessary to remove or alleviate any such conflict, ambiguity, or inconsistency. The powers of the Association shall include, but not be limited to, (i) the power to purchase one or more Lots and/or Dwellings and any other real or personal property, whether tangible or intangible, and to hold, lease, mortgage, sell, and otherwise convey the same, (ii) subject to the provisions of this Section 4.04, the right to borrow money for the purpose of acquiring additional Common Areas, for constructing, repairing, maintaining, or improving the Common Areas or any portion thereof or for providing any of the services authorized herein, (iii) subject to the provisions of this Section 4.04, the right to give Mortgages or other security instruments encumbering all or any part of the Common Areas as security for any loan obtained by the Association; provided, however, that the lien and encumbrance of any such Mortgage shall be subject and subordinate to all of the rights, interests, privileges, easements, licenses, and options reserved or established herein for the benefit of Developer, the ARC, the Association, and all Owners and Occupants, (iv) the right to grant and accept easements, (v) the right to dedicate or transfer fee simple title to all or any portion of the Common Areas to any Governmental Authority; provided, however, that except as provided in Section 9.03 below, the dedication or transfer of title to any of the Common Areas must be approved by a majority of those Owners present in person or by proxy at a duly held meeting of the Association called for such purpose, and (vi) the right to arrange with any of the Governmental Authorities or any public or private utilities or others, for the furnishing of trash collection, water, sewer, and/or security services for the Common Areas and/or the Lots and Dwellings. For so long as Developer shall own any Lot or Dwelling, the Association shall not, without the consent of Developer, borrow money or pledge, mortgage, encumber, sell, or otherwise convey any interest it may have in the Common Areas. Except as otherwise specifically provided to the contrary herein, in the Articles of Incorporation or in the Bylaws, the powers and authority granted to the Association may be exercised by the Board, acting through the officers of the Association, without further consent or action on the part of the Owners.

4.05 Agreements. Subject to the conditions, restrictions, and other provisions of this Declaration, all agreements, actions, and determinations lawfully authorized by the Board shall be binding upon all Owners, their heirs, executors, personal representatives, administrators, successors, and assigns and all others having any interest in the Development. In performing its responsibilities hereunder, the Association, through the Board, shall have the right and authority to delegate to such persons of its choice such duties of the Association as may be determined by the Board. In furtherance of

the foregoing and not in limitation thereof, the Association may obtain and pay for the services of any person or entity to manage its affairs or any part thereof, to the extent it deems advisable, as well as such other personnel as the Association shall deem necessary or desirable for the proper operation of any portion of the Development, whether such personnel are furnished or employed directly by the Association or by independent contract with the Association. All costs and expenses incurred incident to the employment of a manager of the Development or any of the Common Areas shall be a Common Expense. During the term of any such management agreement entered into by the Association with a third party, such manager may, if authorized by the Board, exercise all the powers and shall be responsible for the performance of all of the duties of the Association, excepting any of such powers or duties specifically and exclusively reserved to the Board or the officers of the Association by the Declaration, the Articles of Incorporation, or the Bylaws. Such manager may be an individual, corporation, or other legal entity and may be bonded in such manner as the Board may require, with the costs of such bond to be a Common Expense. In addition to the foregoing, the Association may pay for and the Board may hire and contract for such legal and accounting services as are necessary or desirable in connection with the operation of the Development, or the enforcement of this Declaration, the Articles of Incorporation, the Bylaws, or any rules and regulations of the Association.

4.06 Management by Developer or its Affiliates. Developer or any affiliate thereof may be employed as the manager of the Association and the Development for so long as Developer owns any Lot or Dwelling within the Development, at such compensation and on such terms as would be usual, customary, and obtainable in an arms-length transaction with any third party providing comparable services for any real estate development in the southeastern United States of the size, quality, and nature of the Development. Each Owner, by acceptance of a deed to or other conveyance of a Lot or Dwelling, shall be deemed to ratify the provisions of this Section 4.06 and specifically be deemed to have approved any such management agreement entered into by the Association and Developer or any affiliate thereof.

4.07 Rules and Regulations. The Board may establish and enforce reasonable rules and regulations governing the use of all Lots, Dwellings, and Common Areas. Without limiting the foregoing, the Board may adopt rules and regulations which shall govern the use of any of the Common Areas (including specifically, the use of any of the recreational facilities, if any, situated within the Common Areas), the enforcement of all of the terms and provisions of this Declaration, and any rules and regulations adopted by the Board and such other matters. Copies of such rules and regulations shall be binding upon all Owners and Occupants until and unless such rule or regulation is specifically overruled, canceled, or modified by the Board or by the majority vote of the total votes of the Association at any regular or special meeting of the Association; provided, however, that no such rules or regulations may be overruled, canceled, or modified unless such action is also approved by Developer for so long as Developer owns any Lot or Dwelling in the Development.

4.08 Indemnification. The Association shall and does hereby indemnify, defend, and agree to hold each and every officer, agent, representative, and member of the Board of the Association harmless from and against any and all expenses, including court costs and reasonable attorneys' fees, suffered, paid, or incurred by any such officer, agent, representative, or member of the Board in connection with any action, suit, or other proceedings (including the settlement of any suit or

proceedings if approved by the Board) to which such person may be ~~2.3.1~~ ^{2.3.1} party ~~3.7~~ ^{3.7} reason of being or having been an officer, agent, representative, or member of the ~~Board of the Association~~ ^{Board of the Association}. The officers, agents, representatives, and members of the Board of the Association shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association, and the Association shall and does hereby indemnify, defend, and agree to forever hold each such officer, agent, representative, and member of the Board harmless from any and all liability to others on account of any such contract or commitment. The indemnification obligations and rights provided for herein shall not be exclusive of any other rights to which any officer, agent, representative, or member of the Board of the Association may be entitled, including anything provided to the contrary contained in the Articles of Incorporation or the Bylaws. The Association shall maintain adequate general liability and officers and directors liability insurance in order to fulfill its obligations under this Section 4.08 and the costs of such insurance shall constitute a Common Expense.

ARTICLE V **Architectural Review Committee Development** **and Architectural Standards**

WITHOUT LIMITING THE FOREGOING, THE CONSTRUCTION AND INSTALLATION OF ANY DWELLINGS, SIDEWALKS, DRIVEWAYS, PARKING LOTS, MAILBOXES, DECKS, PATIOS, COURTYARDS, SWIMMING POOLS, TENNIS COURTS, GREENHOUSES, PLAYHOUSES, AWNINGS, WALLS, FENCES, EXTERIOR LIGHTS, GARAGES, GUEST OR SERVANT'S QUARTERS, OR ANY OTHER OUTBUILDINGS, SHALL NOT BE UNDERTAKEN, NOR SHALL ANY EXTERIOR ADDITION TO OR CHANGE OR

The ARC shall have the right to approve any submitted plans and specifications with conditions or stipulations by which the Owner of such Lot or Dwelling shall be obligated to comply and must be incorporated into the plans and specifications for such Improvements or Dwelling. Approval of plans and specifications by the ARC for Improvements to one particular Lot or Dwelling shall not be deemed an approval or otherwise obligate the ARC to approve similar plans and specifications or any of the features or elements for the Improvements for any other Lot or Dwelling within the Development.

(e) In the event the ARC fails to approve in writing any such proposed plans and specifications within forty-five (45) days after such plans and specifications have been submitted, then the plans and specifications so submitted will be deemed to have been approved.

5.08 Inspection. The ARC or any agent, employee, or representative thereof may at any reasonable time and from time to time enter upon and inspect any Lot or Dwelling or any Improvements being constructed thereon in order to determine whether the approved plans and specifications therefor are being complied with. Any such entry shall not be deemed to be a trespass or any other wrongful act by the ARC.

5.09 Subsurface Conditions. The approval of plans and specifications by the ARC for any Dwelling or other Improvements on a Lot or Dwelling shall not be construed in any respect as a representation or warranty by the ARC or Developer to the Owner submitting such plans or to any of the successors or assigns of such Owner that the surface or subsurface conditions of such Lot or Dwelling are suitable for the construction of the Improvements contemplated by such plans and specifications. It shall be the sole responsibility of each Owner to determine the suitability and adequacy of the surface and subsurface conditions of any Lot or Dwelling for the construction of any contemplated Improvements thereon.

The right to maintain and carry on such facilities and activities shall include, without limitation, the right to use Dwellings as model residences and as offices for the sale of Lots and/or Dwellings and for any related activities.

(a) No trash, garbage, rubbish, or debris of any kind shall be dumped, placed, or permitted to accumulate upon any portion of the Development nor shall any nuisance or odors be permitted to exist or operate upon or arise from any Lot or Dwelling which would render any portion thereof unsanitary, unsightly, offensive, or detrimental to persons using, occupying, or owning any other Lots or Dwellings within the Development. Noxious or offensive activities shall not be carried on, in or from any Lot or Dwelling or in any part of the Common Areas, and each Owner and Occupant shall refrain from any act or use of a Lot or Dwelling which would cause disorderly, unsightly, or unkept conditions, result in the cancellation of or increase in insurance coverage or premiums for any portion of the Development or be in violation of any law, statute, ordinance, rule, regulation, or requirement of any Governmental Authority. Without limiting the generality of the foregoing, no exterior speakers, horns, whistles, bells, or other sound devices, other than security and fire alarm devices used exclusively for such purposes, shall be located, used, or placed upon any Lot or Dwelling or other portion of the Development; provided, however, that the foregoing shall not apply to Developer or to the use of any of the foregoing devices within any recreational areas of the Common Areas. Any Owner or Occupant or any of the respective family members, guests, invitees, servants, agents, employees, or contractors of such Owner or Occupation who dumps, places, or allows trash or debris to accumulate on his Lot, Dwelling, or on any other portion of the Development shall be liable to the Association for all costs incurred by the Association to remove the same.

(b) Trash, garbage, and any other refuse or waste shall not be kept on any Lot or Dwelling except in sanitary containers or garbage compactor units. Trash cans and containers shall at all times be kept at the rear of or inside a Dwelling and shall be screened from view from streets and adjacent Lots and Dwellings by appropriate landscaping or fencing approved by the ARC; provided, however, that trash cans and containers can be moved to the front or side yard of any Dwelling on trash collection days for such Lot or Dwelling.

(c) Except as otherwise provided in Section 6.27(a) below, no outdoor burning of trash, garbage, leaves, wood, shrubbery, or other materials shall be permitted on any Lot, Dwelling, or other portion of the Development.

6.23 Recreational Vehicles and Machinery and Equipment.

(a) Mobile homes, motor homes, trailers of any kind, campers, vans, motorcycles, motorized carts and all-terrain vehicles, lawn mowers, tractors, tools, construction machinery and equipment of any nature, golf carts, boats and any other type of watercraft, including boat trailers, and any other similar types of vehicles, machinery, or equipment shall not be permitted stored or allowed to remain on any Lot or Dwelling unless the same is placed, stored, and maintained within a wholly-enclosed structure, with roofing and doors, on such Lot or Dwelling. Any such enclosed structure must be approved by the ARC. The Common Areas shall not, unless expressly permitted by the Association, be utilized for the parking or storage of any of the foregoing vehicles, recreational vehicles, machinery, or equipment.

(b) Each Lot or Dwelling shall provide for adequate off-street parking (i.e., parking areas located solely within the property lines of such Lot or Dwelling). Vehicles shall be parked only in driveways constructed in accordance with the provisions of Section 6.19 above or in garages constructed in accordance with the provisions of Section 6.13 above. Vehicles shall not be parked on any landscaped or natural areas of a Lot or Dwelling.

(c) Any vehicle which is inoperable shall be immediately removed from the Development. No Owner or Occupant shall repair or restore any vehicle, machinery, or equipment of any kind upon or within any Lot or Dwelling or within any portion of the Common Areas, except (i) within enclosed garages or workshops or (ii) for minor service work or emergency repairs and then only to the extent necessary to enable the immediate movement thereof to a proper repair facility located outside of the Development.

(d) The Board shall have the right at any time and from time to time to adopt rules and regulations with respect to the keeping, storage, parking, operation, use, or maintenance of mobile homes, tractors, equipment, machinery, trailers (with or without wheels), motor homes, trucks (other than pick-up trucks), commercial vehicles of any type, campers, motorized campers or trailers, boats or other watercraft, boat trailers, motorcycles, motorized bicycles, all-terrain vehicles, motorized go-carts, and other forms of transportation.

6.24 Signage. No signs or advertising posters of any kind shall be maintained or permitted within any windows or on the exterior of any Lot or Dwelling or elsewhere on any portion of the Property without the express written permission of the ARC. The approval of any signs and posters, including, without limitation, political campaign signs and name and address signs, shall be upon

such conditions as may from time to time be determined by the ARC. Notwithstanding the foregoing (a) the restrictions set forth in this Section 6.25 shall not be applicable to Developer or to any signs erected pursuant to Section 6.28(c) below and (b) Developer and the Association shall have the right, but not the obligation, to erect and maintain reasonable and appropriate signs on any portions of the Common Areas and within those easement areas established in Section 3.05 above. Signs shall not be affixed to trees.

6.25 Above Ground Tanks and Wells. No exposed above-ground tanks for the storage of fuel, water, or any other substances shall be located on any Lot or Dwelling or within any of the Common Areas. No private water wells, other than those utilized for the private lake at the back of Lots 8-12, may be drilled or maintained and no septic tanks or similar sewage facilities may be installed or maintained on any Lot or Dwelling except for wells maintained solely for irrigation purposes. All such irrigation wells must be approved in writing by the ARC prior to the installation of the same.

6.26 Temporary Structures. No temporary house, trailer, shack, tent, barn, shed, stable, poultry house or yard, rabbit hut, tree house, or other outbuilding or structure of any kind shall be permitted, constructed, installed, or allowed to remain on any Lot or Dwelling; provided, however, that the foregoing shall not be deemed to prohibit (a) temporary structures for social functions as may be permitted by the rules and regulations of the Board of the Association, (b) any detached garages or other structures which are approved in writing by the ARC, (c) dog houses for not more than two (2) dogs so long as such dog houses are visibly screened from view from all streets and adjacent Lots or Dwellings, and (d) construction trailers and/or sales offices erected or placed on any part of the Property by Developer pursuant to Section 5.12 above.

6.27 Construction of Improvements.

(a) During the construction of any Improvements or Dwelling, (i) all Lots and Dwellings shall be maintained in a clean condition, free of debris and waste material, (ii) all unused construction materials shall be stored, to the extent practicable, out of view from any street, and (iii) all construction trash, debris, and rubbish on each Lot shall be properly disposed of outside the Development at least weekly. Used construction materials may be burned on-site so long as such burning does not create a nuisance to other Owners or violate the laws, ordinances, codes, statutes, rules, or regulations of any applicable Governmental Authority; in no event, however, shall any used construction materials be buried on or beneath any Lot, Dwelling, or any other portion of the Development. No Owner shall allow dirt, mud, gravel, or other substances to collect or remain on any street. Each Owner and each Owner's contractor, subcontractors, laborers, and suppliers shall cause all such dirt, mud, gravel, and other substances to be removed from the treads and wheels of all vehicles used in or related to the construction of Improvements on a Lot or Dwelling prior to such vehicles traveling on any streets within the Development.

(b) During the construction of any Improvements or Dwellings, construction equipment and the vehicles of all contractors, subcontractors, laborers, material-men, and suppliers shall (i) utilize off-street parking only, and (ii) not damage trees or other vegetation on such Lot which, pursuant to the provisions of Section 6.06 above, are to be preserved.

(c) Up to two (2) signs, in size and color approved by the ARC, may be posted on a Lot at a height not to exceed five (5) feet from the ground level advertising the Lot or the Dwelling thereon for sale or, during the construction of such Dwelling, containing information identifying the builder of such Dwelling. No other signage, banners, flags, or advertising posters shall be allowed without obtaining ARC approval. The location of such signage shall be established by the ARC but in no event shall any signage authorized by this Section 6.27 or which may be approved by the ARC be attached, nailed, or otherwise adhered to any tree or other plant life on a Lot.

(d) No construction trucks, equipment, or machinery, including any trailers used for the transportation of construction equipment or machinery, shall be parked overnight on any streets or roads within the Development. Upon completion of construction of any Improvements or any Dwelling, all construction machinery, tools and equipment, all unused construction materials, and all trash, debris, and rubbish shall be immediately removed from the Lot or Dwelling and such Lot or Dwelling shall be kept and maintained in a clean and uncluttered condition.

(e) All Dwellings and any other Improvements shall be constructed in compliance with the Architectural Standards and all applicable federal, state, county, and local laws, ordinances, rules, regulations, and zoning and building code requirements. Each Owner shall be solely responsible for obtaining from the appropriate Governmental Authorities all necessary permits and licenses and otherwise paying all required fees for the construction of any Improvements on such Owner's Lot.

(f) Each Owner shall also be responsible for strict compliance with the Architectural Standards and all applicable watershed protection, soil erosion, and other governmental requirements, both during and after completion of construction of any Improvements on such Owner's Lot.

(g) Developer has obtained a National Pollution Discharge Elimination System (NPDES) permit from the Alabama Department of Environmental Management (ADEM) for its work in the Development. Each Owner will be required to obtain its own NPDES permit from ADEM prior to commencement of construction activity on a Lot. No Owner shall be allowed to use Developer's NPDES permit.

6.28 Subdivision and Interval Ownership. No Lot may be subdivided or resubdivided without the prior written approval of the ARC; provided, however, that the provisions of this Section 6.28 shall not be applicable to Developer. No Lot or Dwelling shall be sold or owned under any time-sharing, time-interval, or similar right-to-use programs.

6.29 Swimming Pools and Tennis Courts. Swimming pools, outdoor hot tubs, reflecting ponds, saunas, whirlpools, lap pools, and tennis courts may be constructed, installed, and maintained on any Lot or Dwelling subject to the prior written approval of the plans for the same by the ARC and the restrictions contained herein. Above-ground pools shall not be permitted. The ARC shall have the right to adopt further rules and regulations governing the construction of swimming pools, other outdoor water features or amenities, and tennis courts within the Development.

6.30 Compliance with Governmental Regulations. Each Owner and Occupant shall at all times comply with all applicable laws, ordinances, statutes, rules, regulations, requirements, and code provisions of the Governmental Authorities.

6.31 Additional Regulations. In addition to the restrictions set forth in this Declaration, the (i) ARC shall have the right, in its sole discretion, from time to time and at any time to adopt, modify, and amend the Architectural Standards in order to impose such other, further, or different requirements or restrictions which shall be binding on all Owners, Lots, and Dwellings, including the adoption of additional or more specific requirements and restrictions governing the improvement and use of any Lot or Dwelling, and (ii) Board of the Association shall have the right from time to time and at any time to adopt, modify, and amend such rules and regulations as the Board, in its sole discretion, determines to be in the best interests of all Owners, which rules and regulations shall be binding on all Owners, Lots, and Dwellings.

6.32 Variances. The ARC, in its sole and absolute discretion, shall have the exclusive right to grant variances with respect to the provisions of Article V above and this Article VI with respect to any Lot or Dwelling. Any variance request submitted to the ARC shall be in writing and, upon approval of the same by the ARC, shall be evidenced by a written variance executed by either the chairman or vice chairman of the ARC. The provisions of Section 5.03 above concerning meetings, a quorum of members, and the number of votes necessary to approve action taken by the ARC shall be binding upon the ARC in any matters regarding the granting of variances.

6.33 Enforcement and Remedies. In the event any of the provisions of this Article VI are breached or are not otherwise being complied with in all aspects by any Owner or Occupant or the respective family members, guests, invitees, agents, employees, or contractors of any Owner or Occupant, then the Association or the ARC shall each have the right, at their option, to (a) enjoin such violation or noncompliance and/or (b) through their designated agents, employees, representatives, and independent contractors enter upon such Lot or Dwelling and take all action necessary to extinguish or correct such violation or breach. All costs and expenses incurred by the ARC or the Association in enforcing any of the provisions of this Article VI, including, without limitation, attorneys' fees, court costs, costs and expenses of witnesses, engineers, architects, designers, land planners, and any other persons involved in the correction of any noncompliance or the removal of such violation or in any judicial proceeding, together with any other costs or expenses incurred by the ARC or the Association in connection therewith, shall be paid by such Owner who has violated or breached any of the provisions of this Article VI, shall constitute an individual Assessment to such Owner pursuant to Section 8.06 below and, if the same is not paid when due, shall be subject to the lien provided for in Section 8.09 below, and be subject to foreclosure as provided for therein. Notwithstanding anything provided herein to the contrary, the rights and remedies of the ARC and the Association set forth herein shall not be deemed exclusive of any other rights and remedies which the ARC or the Association may exercise at law or in equity or any of the enforcement rights specified herein.

ARTICLE VII

Maintenance Responsibilities

7.01 Responsibilities of Owners.

(a) Unless specifically identified herein as being the responsibility of the Association, the maintenance and repair of all Lots, Dwellings, all other Improvements situated thereon or therein,

and all lawns, landscaping, and grounds on or within a Lot or Dwelling shall be the responsibility of the Owner of such Lot or Dwelling. Each Owner shall be responsible for maintaining his or its Lot or Dwelling, as the case may be, in a neat, clean, and sanitary condition, both inside and outside of any Dwellings or Improvements thereto. Such responsibilities shall include, without limitation, maintaining at all times appropriate paint and stain finishes on all Dwellings and other Improvements and reroofing or replacing roofing shingles when the same become worn or would be replaced by a prudent Owner. No exterior changes, alterations, or Improvements shall be made to any Lot or Dwelling without first obtaining the prior written approval of the same from the ARC.

(b) Each Lot or Dwelling, as the case may be, shall be landscaped in accordance with plans and specifications submitted to and approved by the ARC pursuant to Section 5.06 above. All areas of any Lot or Dwelling which are not improved by the construction of a Dwelling thereon shall at all times be maintained by the Owner in a fully and well kept landscaped condition. The maintenance obligations set forth in this Section 7.01(b) shall apply to all portions of a Lot or Dwelling up to the edge of the pavement of any roadway abutting such Lot or Dwelling and shall be binding on the Owner of each Lot or Dwelling at all times, either prior, during, or after the construction of any Improvements thereon. Grass, hedges, shrubs, vines, and any other vegetation of any type on any Lot shall be cut and trimmed at regular intervals at all times in order to maintain the same in a neat, safe, and attractive condition. Trees, shrubs, vines, plants, and other vegetation which die shall be promptly removed and replaced with living plants of like kind and quantity. Dead vegetation, stumps, weeds, rubbish, debris, garbage, and waste materials shall be promptly removed from any Lot or Dwelling and properly disposed of outside of the Development.

(c) No Owner shall (i) decorate, change, or otherwise alter the appearance of any portion of the exterior of a Dwelling or the landscaping, grounds, or other improvements within a Lot unless such decoration, change, or alteration is first approved, in writing, by the ARC as provided in Sections 5.05 and 5.06 above or (ii) do any work which, in the reasonable opinion of the ARC, would jeopardize the soundness and safety of the Development, reduce the value thereof, or impair any easement or hereditament thereto, without in every case obtaining the prior written approval of the ARC.

7.02 Responsibilities of Association.

(a) Except as may be otherwise provided herein to the contrary and subject to the provisions of Section 4.08 above, the Association shall, to the extent it has received sufficient sums from the Owners through Assessments, maintain and keep in good repair and condition all portions of the Common Areas, and the landscaping and signs at the entrance to the property, which responsibility shall include the maintenance, repair, and replacement of (i) all private streets and roads within the Development, walks, trails, paths, walkways, bicycle and jogging paths and lanes, parking lots, landscaped areas, recreational areas, and other Improvements made by Developer or the Association within any of the Common Areas or within any of the easements encumbering the Lots or Dwellings as provided in Article III above, (ii) such security systems, guardhouses, entrance gates, and utility lines, pipes, plumbing, wires, conduits, and related systems, appurtenances, equipment, and machinery which are a part of the Common Areas and which are not maintained by a public authority, public service district, public or private utility, or other person, (iii) all lawns, trees, shrubs, hedges, grass, and other landscaping and all lakes and ponds situated within or upon the Common Areas, and (iv) all retention lakes, ponds, and other water areas and facilities

constructed by Developer or the Association, wherever located (either within or outside of the Development so long as the same are utilized for the benefit of the Development), including, without limitation, implementing and maintaining siltation, soil erosion, and sedimentation programs and otherwise dredging, cleaning, and maintaining all siltation ponds and appurtenances thereto as may be necessary or otherwise required by any Governmental Authorities. The Association shall not be liable for injuries or damage to any person or property (1) caused by the elements, act of God, or any Owner or other person, (2) resulting from any surface or subsurface conditions which may at any time affect any portion of the Property caused by rain or other surface water which may leak or flow from any portion of the Common Area onto a Lot or Dwelling, or (3) resulting from theft, burglary, or other illegal entry into the Development, any Lot or Dwelling thereof. No diminution or abatement of Assessments shall be claimed or allowed by reason of any alleged failure of the Association to take some action or perform some function required to be taken by or performed by the Association hereunder or for inconvenience or discomfort arising from the making of improvements or repairs which are the responsibility of the Association or from any action taken by the Association to comply with any requirements of the Governmental Authorities.

(b) In the event that the Board of the Association determines that (i) any maintenance, cleaning, repair, or replacement for which the Association is responsible hereunder is caused by the willful or negligent act of an Owner or Occupant, or their respective family members, guests, servants, employees, invitees, or contractors, and the costs of such maintenance, cleaning, repair, or replacement are not paid in full from insurance proceeds, if any, received by the Association with respect thereto, then, in either event, the Association, in addition to the exercise of any of the rights and remedies set forth in this Declaration, may give such Owner written notice of the Association's intent to provide such necessary maintenance, cleaning, repair, or replacement, at the sole cost and expense of such Owner and setting forth in reasonable detail what action is deemed necessary. Except in the event of emergency situations, such Owner shall have fifteen (15) days within which to complete the same in a good and workmanlike manner or, if the same is not capable of completion within such fifteen (15) day period, to commence such maintenance, cleaning, repair, or replacement and to proceed diligently with the completion of the same in a good and workmanlike manner. In the event of emergency situations or the failure by any Owner to comply with the provisions hereof after such notice, the Association may provide (but shall not be obligated to provide) any such maintenance, cleaning, repair, or replacement at the sole cost and expense of such Owner and said cost shall be a personal obligation of such Owner, shall constitute an individual Assessment to such Owner, and shall be subject to the lien and foreclosure rights granted pursuant to Section 8.09 below.

ARTICLE VIII **Assessments**

8.01 Assessments and Creation of Lien. Each Owner of a Lot or Dwelling, by acceptance of a deed or other instrument conveying any interest therein, regardless of whether such deed or instrument contains a reference to this Declaration, is hereby deemed to covenant and agree to pay to the Association: (a) annual Assessments, as established and to be collected as provided in Section 8.04 below, (b) special Assessments, to be established and collected as provided in Section 8.05 below, and (c) individual Assessments against any particular Lot or Dwelling which are established or assessed pursuant to the terms of this Declaration, including, but not limited to, any fines as may

be levied or imposed against such Lot or Dwelling in accordance with the provisions herein. All Assessments, together with late charges and interest as provided in Section 8.09(a) below, and all court costs and attorneys' fees incurred by the Association to enforce or collect such Assessments, shall be an equitable charge and a continuing lien upon each Lot or Dwelling for which the Owner thereof is responsible for the payment of the same, which lien may be enforced in the manner provided in Section 8.09(c) below. Each Owner shall be personally liable for the payment of all Assessments coming due while he is the Owner of a Lot or Dwelling and his grantee shall take title to such Lot or Dwelling subject to the equitable charge and continuing lien therefor, but without prejudice to the rights of such grantee to recover from his grantor any amounts paid by such grantee to the Association which were the legal obligations of the grantor. All Assessments, together with late charges and interest at the Applicable Rate, as specified in Section 8.09(a) below, court costs, and attorneys' fees incurred with respect thereto by the Association, shall also be a personal obligation of the person who was the Owner of the Lot or Dwelling at the time such Assessments and other costs and charges were assessed or incurred. In the event of co-ownership of any Lot or Dwelling, all of the co-Owners shall be jointly and severally liable for the entire amount of such Assessments. Assessments shall be paid in such manner and on such dates as may be fixed by the Board of the Association. All Assessments shall be payable in all events without offset, diminution, or abatement by reason of fire or other casualty or any taking as a result of, in lieu of or in anticipation of the exercise of the right of eminent domain, condemnation, or by private purchase in lieu thereof with respect to any Lot, Dwelling, Common Areas, or any other portion of the Development or any other cause or reason of any nature.

8.02 Purpose of Assessments. The annual and special Assessments provided for herein shall be used for the general purposes of promoting the health, safety, welfare, common benefit, and enjoyment of the Owners and Occupants of the Development and otherwise for the general upkeep and maintenance of the Development, including, specifically, the Common Areas and any Improvements thereto, all as may be more specifically authorized from time to time by the Board of the Association.

8.03 Uniform Rate of Assessments.

(a) Both annual and special Assessments, as described in Sections 8.04 and 8.05 below, shall be assessed against each Lot or Dwelling in the Development at a uniform rate, with the Owner of each Lot or Dwelling being required to pay his pro rata portion of such annual and/or special Assessments, as determined by a fraction, the numerator of which shall be the total Lots or Dwellings owned by such Owner and the denominator of which shall be the total number of Lots and Dwellings in the Development at the time such annual or special Assessment is levied. Each Lot and Dwelling shall be subject to equal annual and special Assessments.

(b) Notwithstanding anything provided in Section 8.03(a) above to the contrary, in the event any Additional Property is added to the Development, then the Lots and/or Dwellings within the Additional Property shall be subject to the same annual or special Assessments then being paid by the Owners of all other Lots and Dwellings in the Development, subject to proration as provided in Section 8.08 below.

8.04 Computation of Annual Assessments.

(a) Notwithstanding anything provided to the contrary in this Declaration, the annual Assessment

for each Lot and Dwelling in the Development (including any Lot or Dwelling forming any part of the Additional Property) for the approximate three (3) year period commencing on the date hereof and continuing until and including December 31, 2009, shall be Three Hundred and No/100 Dollars (\$300.00) per annum per Lot or Dwelling in the Development. The foregoing shall not limit or restrict any special Assessments levied pursuant to Section 8.05 below (with the approval of a majority of the Owners as provided therein) or any individual Assessments levied in accordance with the provisions of Section 8.06 below.

(b) Commencing with the fiscal year of the Association which begins on January 1, 2010 (i.e., from January 1, 2010, through December 31, 2010, which period is hereinafter referred to as the "Base Year"), and annually thereafter, the Board of the Association shall determine and approve annually an annual budget covering the estimated Common Expenses for the Development for the upcoming year, such budget to include a capital contribution or reserve account if necessary for the capital needs of the Association. The amount set forth in such budget shall constitute the aggregate amount of annual Assessments for the then applicable year and each Owner shall pay his prorata share of the same as provided in Section 8.03 above. A copy of the budget setting forth the amount of annual Assessments to be levied against the Lots and Dwellings for the following year shall be delivered to each Owner. The provisions of Section 8.04(a) above shall not apply to the Base Year or any subsequent year thereafter.

(c) In the event the budget for any year after the Base Year results in the Owners being liable for the payment of annual Assessments the increase of which exceed (without regard to proration or adjustment as provided in Section 8.08 below) the greater of either (i) ten percent (10%) of the annual Assessments payable for the entire immediately preceding calendar year or (ii) the percentage increase in the United States Consumer Price Index or any successor index thereto for January of the current year over the index for January of the Base Year (i.e., January 2010) then the budget and the amount of the annual Assessments shall be presented for approval of the Owners at the annual meeting of the Association and must be approved by the vote of a majority of the Owners who are voting in person or by proxy at such meeting. In the event the amount of the annual Assessments does not exceed the limitations set forth above or until such time as a majority of the Owners have approved such increase in the amount of the annual Assessments, then the budget approved by the Board for the then current fiscal year shall be implemented, subject to the restrictions and limitations set forth above on the amount of increase in annual Assessments.

The limitations on increases in the amount of annual assessments provided in this Section 8.04(c) shall not be applicable to the Base Year; accordingly, the actual annual Assessments for each Lot and Dwelling for the Base Year may exceed \$300.00 per annum increased by the greater of (1) ten percent (10%) or (2) the percentage increase in CPI from the preceding calendar year.

(d) If any budget or the amount of annual Assessments collected by the Association at any time proves to be inadequate or insufficient for any reason to fully pay all costs and expenses of the Association and all Common Expenses, then the Board may call a meeting of the Association for the purpose of approving special Assessments as provided in Section 8.05 below. If the actual amount of annual Assessments collected in any one year exceeds the actual costs incurred for Common Expenses for such year, the excess shall be retained by the Association as a reserve for subsequent years' Common Expenses.

(e) The Common Expenses to be funded by the annual Assessments may include, but shall not be limited to, the following:

- (v) The expenses of maintaining, operating, repairing, and replacing any portions of the Common Areas for which the Association is responsible, including, without limitation, roads comprising Common Areas within the Development, which maintenance and repair obligation shall include mowing, landscaping, seeding, cleaning, trash pick-up and removal, paving, repaving, striping, and patching all such roadways comprising Common Areas;
- (vi) Expenses of maintaining, operating, and repairing any other amenities and facilities serving the Development which the Board determines from time to time would be in the best interest of the Association to so maintain, operate, and/or repair;
- (vii) The expenses of the ARC which are not defrayed by plan review charges;
- (viii) Ad valorem real and personal property taxes assessed and levied upon any of the Common Areas;
- (ix) The costs and expenses for conducting recreational, culture, or other related programs for the benefit of the Owners and Occupants;
- (x) All other fees, costs, and expenses incurred by the Association in accordance with the terms and provisions of this Declaration or which the Board, in its sole discretion, determines to be appropriate to be paid by the Association, including, without limitation, taxes and governmental charges not separately assessed against Lots or Dwellings; and

(xi) The establishment and maintenance of a reasonable reserve fund of funds (1) for inspections, maintenance, repair, and replacement of any portions of the Common Areas for which the Association is responsible to inspect, maintain, repair, or replace on a periodic basis, (2) to cover emergencies and repairs required as a result of casualties which are not funded by insurance proceeds, and (3) to cover unforeseen operating contingencies or deficiencies arising from unpaid Assessments as well as from Emergency expenditures and other matters, all as may be authorized from time to time by the Board.

8.05 Special Assessments. In addition to the annual Assessments authorized in Section 8.04 above and the Special Assessments authorized in Sections 9.01(b) and 9.03(a) (i) below, the Board of the Association may levy in any year special Assessments for Common Expenses or any extraordinary costs incurred by the Association; provided, however, that any such special Assessments (other than special Assessments levied pursuant to Sections 9.01(b) and 9.03(a) (i) below) shall be approved by a majority of the votes of the Owners who are voting in person or by proxy at the meeting called for the purpose of adopting special Assessments pursuant to the provisions of Section 8.07 below. The Board may make such Special Assessments payable in one lump sum or in installments over a period of time which may, in the Board's discretion, extend beyond the then fiscal year in which said special Assessments are levied and assessed. Special Assessments shall be levied against and payable by each Owner in accordance with the provisions of Section 8.03 above.

8.06 Individual Assessments. Any expenses of the Association occasioned by the conduct of less than all of the Owners or by any Owner or Occupant, or the respective family members, agents, guests, servants, employees, invitees, or contractors of any Owner or Occupant, shall be specially assessed against such Owners and their respective Lots or Dwellings. The individual Assessments provided for in this Section 8.06 shall be levied by the Board and the amount and due date of such Assessment shall be specified by the Board in a notice to such Owner. The provisions of this Section 8.06 shall apply, without limitation, to any individual Assessments levied pursuant to any other provision hereof.

8.07 Notice of Meetings and Quorum.

(a) Written notice of the annual meeting of the Association, as well as any other meeting called for the purpose of taking any action authorized in this Article VIII shall be sent to all Owners not less than ten (10) days nor more than fifty (50) days in advance of such meetings. With respect to annual meetings, the presence in person or by proxy of Owners entitled to cast over 50% of all the votes of the Association shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement but the required quorum at the subsequent meeting shall be the presence in person or by proxy of Owners entitled to cast at least one-third ($\frac{1}{3}$) of the total votes of the Association. At such time as a quorum is obtained, the vote of a majority of the Owners who are voting in person or by proxy at such meeting shall be required to approve any matter in which all of the members of the Association are entitled to vote, including any increase in the amount of annual Assessments in excess of the limitations specified in Section 8.04(c) above.

(b) With respect to all other meetings of the members of the Association, including, specifically, meetings pursuant to which special Assessments are to be levied upon each Lot or Dwelling pursuant to Section 8.05 above, there shall be no specific requirement establishing a quorum and

the vote of a majority of the Owners who are voting in person or by proxy at any such special meeting shall be binding on all of the members of the Association.

8.08 Date of Commencement of Assessments. The annual Assessments provided for herein shall commence as to each Lot or Dwelling on the day on which such Lot or Dwelling is conveyed to a person other than Developer and shall be due and payable in such manner and on such schedule as may be established from time to time by the Board of the Association. Annual Assessments and any outstanding special Assessments shall be adjusted for each Lot or Dwelling according to the number of month then remaining in the then fiscal year of the Association and the number of days then remaining in the month in which such Lot or Dwelling is conveyed. Annual and special assessments for Lots and Dwellings within any portion of the Additional Property hereafter submitted to the terms of this Declaration shall commence with respect to each such Lot or Dwelling on the date on which such Lot or Dwelling is conveyed to a person other than Developer, subject to proration and adjustment according to the number of months then remaining in the fiscal year of the Association and number of days then remaining in the month in which such Assessments commence. Notwithstanding anything provided herein to the contrary, Developer shall not be responsible for the payment of annual or special Assessments on any Lots or Dwellings which it owns in the Development.

8.09 Effect of Non-Payment; Remedies of the Association.

(a) Each Owner of a Lot or Dwelling is and shall be deemed to covenant and agree to pay to the Association all Assessments provided for herein. In the event any Assessments or any portion thereof are not paid when due the same shall be subject to a late charge in an amount determined and uniformly applied by the Board from time to time and the Owner of such Lot or Dwelling shall be deemed in default herewith. In the event any Assessments or any portion thereof are not paid within thirty (30) days after the due date of the same, then the unpaid portion of the Assessment shall accrue simple interest at the lesser of eighteen percent (18%) per annum or the highest rate which may be charged to said Owner by law (the "Applicable Rate") from and after the thirtieth (30th) day from the due date until the same is paid in full. In the event the Association employs an attorney or otherwise takes any legal action in attempting to collect any amounts due from any Owner, such Owner agrees to pay all attorneys' fees, court costs, and all other expenses paid or incurred by the Association. The lien and equitable charge upon each Lot or Dwelling for Assessments as provided above shall also include all late charges, interest at the Applicable Rate and all attorneys' fees, court costs, and all other expenses paid or incurred by the Association in attempting to collect any unpaid Assessments.

(b) In the event any Assessments or other amounts due to the Association are not paid by any Owner when the same comes due, then, in addition to all other rights and remedies provided at law or in equity, the Association, acting through its Board or through any of its officers or authorized representatives, may undertake any or all of the following remedies:

(i) The Association may commence and maintain a suit at law against an Owner to enforce such charges and obligations for Assessments, and any such judgment rendered in any such action shall include the late charge and interest at the Applicable Rate, as specified in Section 8.09(a) above, together with attorneys' fees, court costs, and all other expenses paid and incurred by the Association in collecting such unpaid Assessments; and/or

(ii) The Association may enforce the lien created pursuant to Section 8.09(a) above in the manner hereinafter provided. DEEDS Book & Page

(c) There is hereby created a continuing lien on each Lot and Dwelling, with power of sale, which secures the payment to the Association of any and all Assessments levied against or upon such Lot or Dwelling, all late charges and interest at the Applicable Rate assessed pursuant to Section 8.09(a) above and all attorneys' fees, court costs, and all other expenses paid or incurred by the Association in collecting any Assessments. If any Assessments remain unpaid for more than sixty (60) days, then the Association, through its Board or any officer or authorized representative thereof, may, but shall not be obligated to, make written demand on such defaulting Owner, which demand shall state the date and amount of delinquency. Each default shall constitute a separate basis for a demand and claim of lien, but any number of defaults may be included in a single demand. If such delinquency is not paid in full within ten (10) days after the giving of such demand or, even without giving demand, the Association may file a claim of lien and perfect its lien against the Lot or Dwelling of such delinquent Owner, which claim shall be executed by any member of the Board of the Association or any officer of the Association, contain the following information, and be recorded in the Probate Office of Lee County, Alabama:

(i) The name of the delinquent Owner;

(ii) The legal description and street address of the Lot or Dwelling upon which the lien claim is made;

(iii) The total amount claimed to be due including late charges, interest at the Applicable Rate, collection costs, and attorneys' fees incurred to date and a statement, if applicable, that such charges and costs shall continue to accrue and be charged until full payment has been received; and

(iv) A statement that the claim of lien is made by the Association pursuant to this Declaration and is claimed against such Lot or Dwelling in an amount equal to that stated therein.

The lien provided for herein shall be in favor of the Association, shall be for the benefit of all other Owners (other than those Owners in default), and may be foreclosed in the same manner as a foreclosure of a mortgage on real property under the laws of the State of Alabama, as the same may be modified or amended from time to time. The Association shall have the right and power to bid at any such foreclosure sale and to purchase, acquire, hold, lease, mortgage, convey, and sell any such Lot or Dwelling. Each Owner, by acceptance of a deed to any Lot or Dwelling, shall be deemed to (1) grant to and vest in the Association and/or its agents the right and power to exercise the power of sale granted herein and foreclose the lien created herein, (2) grant to and vest in the Association and/or its agents the right and power to bring all actions against such Owner personally for the collection of all amounts due from such Owner, (3) expressly waive any objection to the enforcement and foreclosure of the lien created herein, and (4) expressly waive the defense of the statute of limitations which may be applicable to the commencement of any such suit or action for foreclosure.

8.10 Subordination of Lien. Notwithstanding anything provided herein ~~to the contrary~~, the lien for Assessments and other charges authorized herein with respect to any ~~Lot or Dwelling~~ in the Development is and shall be subordinate to the lien of any Mortgage held by an Institutional Mortgagee, but only to the extent that the Mortgage held by any such Institutional Mortgagee is recorded in the Probate Office of Lee County, Alabama, prior to the filing of a claim of lien by the Association pursuant to Section 8.09(c) above. When an Institutional Mortgagee exercises its foreclosure rights provided in its Mortgage and acquires title to or sells to a third party its interest in any Lot or Dwelling, then such Institutional Mortgagee or its purchaser or transferee at such foreclosure sale shall (a) not be liable for any Assessments or other charges incurred prior to the date of transfer or acquisition of title by foreclosure so long as the Mortgage held by such Institutional Mortgagee was recorded in the Probate Office of Lee County, Alabama, prior to the filing of a claim of lien by the Association pursuant to Section 8.09(c) above, but (b) be liable for all Assessments and other charges levied, assessed, or incurred with respect to such Lot or Dwelling from and after the date of such foreclosure sale. The foregoing shall not relieve any Owner whose Lot or Dwelling has been foreclosed from the personal obligation to pay all Assessments and any other charges levied, assessed, or incurred by the Association, and the Association shall have the right to pursue all rights and remedies against a defaulting Owner notwithstanding the foreclosure of a Mortgage by an Institutional Mortgagee on such Owner's Lot or Dwelling.

8.11 Certificates. The Association or any officer or authorized representative thereof shall, upon request and at such reasonable charges as may from time to time be adopted by the Board, furnish to any Owner a certificate in writing setting forth whether the Assessments for which such Owner is responsible have been paid and, if not paid, the outstanding amount due and other costs and expenses due from such Owner. Such certificate shall be conclusive evidence of payment of any Assessments stated therein.

ARTICLE IX

Casualty, Condemnation, and Insurance

9.01 Damage or Destruction to Common Areas.

(a) In the event of any damage or destruction to any of the Common Areas by fire or other casualty, then, subject to the terms and provisions of this Article IX, the Association shall promptly repair,

replace, and restore the damaged portions of the Common Areas to the condition to which they existed immediately prior to such fire or other casualty.

(b) Notwithstanding anything provided in Section 9.01(a) above, in the event the amount of insurance proceeds, if any, recovered as a result of such damage or destruction is insufficient to fully repair, replace, and restore the damaged portions of the Common Areas, and such deficiency cannot be appropriated from a reserve fund as may have been established for such purpose, then the Board of the Association may levy a special Assessment against all Owners, without the necessity of a vote of the Owners approving or disapproving the same pursuant to Sections 8.05 and 8.07 above, which such special Assessments shall be in an amount sufficient to provide funds to pay the remaining costs necessary to repair, replace, or restore the Common Areas to the condition as existed immediately prior to such fire or other casualty. Such special Assessments shall

be levied against each Owner equally as provided in Section 8.03 above. Further special Assessments may be made by the Board, without the necessity of a vote of the Owners approving or disapproving the same, at any time during or upon completion of any such repair, replacement, or restoration of the Common Areas if funds are insufficient to cover the costs of such repair or restoration. Any and all insurance proceeds received by the Association on account of any damage to or destruction of any of the Common Areas or any sums paid to the Association under or by virtue of such special Assessments shall be held by and for the benefit of the Association and shall be disbursed by the Association in payment for the costs of such repair or restoration in such manner as may be determined by the Board of the Association. In no event shall the Owner or Mortgagee of any Lot or Dwelling be entitled to any portion of the proceeds of insurance payable as a result of the damage to or destruction of any portion of the Common Areas.

9.02 Damage or Destruction to Lots and Dwellings. In the event of any fire or other casualty which damages or destroys any portion of any Lot or Dwelling, then the Owner of such damaged Lot or Dwelling shall promptly repair and otherwise restore such Lot or Dwelling to the condition to which the same existed immediately prior to such fire or other casualty; provided, however, that any such restoration or repair shall be subject to compliance with all of the terms and provisions set forth in Article V above and all then applicable rules, regulations, statutes, and ordinances of the Governmental Authorities. Any such restoration or repair shall be commenced within one hundred eighty (180) days following the occurrence of such fire or other casualty.

9.03 Condemnation of Common Areas.

(a) In the event of the taking of all or any portion of any of the Common Areas as a result of, in lieu of, or in anticipation of the exercise of the right of eminent domain, condemnation, or by private purchase in lieu thereof, then the award from such taking or sale in lieu thereof shall be paid to the Association and shall be disbursed or held as follows:

(i) To the extent the Common Areas subject to such taking can either be restored or replaced, then, to the extent practicable, the Board of the Association is hereby empowered, authorized, and directed to take such action, including the purchase of any remaining lands within the Development or the utilization of any other Common Areas within the Development, to restore, rebuild, or replace, as the case may be, those portions of the Common Areas subject to such taking. If the award is insufficient to fully defray the cost of such repair or replacement and such deficiency cannot be appropriated from a reserve fund as may have been established for such purpose, then the Board of the Association may levy a special Assessment against all Owners, without the necessity of a vote of the Owners approving or disapproving the same pursuant to Sections 8.05 and 8.07 above, which such special Assessments shall be in an amount sufficient to provide funds to pay the remaining costs of repair, restoration, or reconstruction. Such special Assessments shall be levied against each Owner as provided in Section 8.03 above. Further special Assessments may be made by the Board without the necessity of a vote of the Owners approving or disapproving the same, at any time during or upon the completion of any such repair, replacement, or restoration of the Common Areas if the award received as a result of such taking is insufficient to pay the costs of such repair or restoration.

(ii) To the extent the Common Areas subject to such taking cannot be restored or replaced or additional lands within the Development cannot be purchased by the Association in order to repair, replace, or restore the Common Areas so taken or if the Board of the Association shall determine that the portions of the Common Areas so taken should not be replaced or restored, then in any such event, the net award from such taking shall be retained by and for the benefit of the Association.

(b) If any portion of the award from any taking remains after restoration or replacement of any of the Common Areas, the remainder of such award shall be retained by and for the benefit of the Association, without any claim thereto by any Owner. Except as specifically provided in Section 9.03(c) below, no Owner or Mortgagee of any Lot or Dwelling shall be entitled to any portion of the award made to the Association as a result of the taking of any portion of the Common Areas.

(c) If such taking or sale in lieu thereof includes all or any part of a Lot or Dwelling and also includes any part of the Common Areas, then the award from such taking shall be equitably apportioned in accordance with the decision of a court of competent jurisdiction and such award shall be disbursed separately to the Association and to the Owners so affected by such taking; provided, however, that the Owners of any Lot or Dwelling which is subject to any such taking and the Board of the Association may mutually agree on the amount of such apportionment, which mutual agreement shall be binding on all Owners.

9.04 Condemnation of Lots or Dwellings. In the event that all or any portion of a Lot or Dwelling is taken as a result of, in lieu of, or in anticipation of the exercise of the right of eminent domain, condemnation, or by private purchase in lieu thereof, then, to the extent practicable, the Owner of such Lot or Dwelling shall promptly repair, reconstruct, rebuild, and otherwise restore the remaining portions of the Lot or Dwelling as nearly as practicable to the condition to which the same existed immediately prior to such taking; provided, however, that any such restoration shall be subject to all of the terms and conditions set forth in Article V above and all then applicable rules, regulations, statutes, and ordinances of the Governmental Authorities. In the event the restoration of such Lot or Dwelling is impracticable or would otherwise violate any of the terms and provisions of this Declaration, then such Owner shall promptly clear away any remaining Improvements damaged or destroyed by such taking and shall leave such Lot or Dwelling and any remaining Improvements thereon in a clean, orderly, safe, and sightly condition.

9.05 Insurance.

(a) The Board of the Association shall have the authority to obtain and maintain at all times adequate property and casualty insurance in such form as the Board deems appropriate for the benefit of the

Association insuring all insurable Improvements in and to the Common Areas against loss or damage by fire or other hazards, including, without limitation, extended coverage, flood, vandalism, and malicious mischief, which coverage shall be in an amount, with such insurance carriers, at such costs, and with such deductibles as the Board, in its sole discretion, may determine.

(b) The Board shall have the authority to obtain and maintain in effect at all times such public liability insurance coverage covering all of the Common Areas and any damage or injury caused by the negligence of the Association, its Board, and all members, officers, agents, and employees thereof, in such amounts, with such insurance carriers, at such costs, and with such deductibles as the Board, in its sole discretion, may deem necessary or desirable.

(c) The Board shall have the right and authority to obtain workman's compensation insurance, employer's liability insurance, and all other types of insurance required by law, including, without limitation, errors and omissions and directors and officers liability insurance coverage, in such amounts, with such insurance carriers, at such costs, and with such deductibles as the Board, in its sole discretion, may determine.

(d) All insurance coverage authorized hereunder shall be written in the name of the Association and all costs thereof shall be a Common Expense. To the extent the same may be obtained at a nominal cost, all such policies shall contain a waiver of subrogation clause pursuant to which the insurer waives any claims against the Developer, the Association, the members of the Board, and all officers, agents, and employees of the Association, including the manager for the Development and the Association, the Owners and the family members, servants, agents, tenants, and guests of the Owners and shall also name Developer as an additional insured.

(e) Each Owner shall be solely responsible for obtaining and maintaining public liability, property damage, title, and all other types of insurance with respect to his Lot and Dwelling. The Board may require all Owners to carry public liability insurance with respect to their respective Lots and Dwellings and to furnish copies or certificates thereof to the Association. Each Owner, by acceptance of a deed or other instrument conveying any interest in any Lot or Dwelling, does hereby waive and release Developer, the ARC, the Association, and their respective agents, employees, representatives, partners, shareholders, members, officers, and directors, from any and all liabilities or damage covered by (or which should be covered by) fire and casualty (e.g., homeowner's and/or builder's risk) insurance and general liability insurance which any Owner maintains, even if such loss or damage has been caused by the fault or negligence of any of the foregoing persons or parties.

Developer has entered into an agreement (the "Swimming Pool Agreement") with East Lake Townhomes Homeowners' Association, Inc. to allow the members of said association to use the Association's swimming pool and related facilities in return for an annual payment to the Association. Said annual payment is to be computed based upon pool-related maintenance expenses plus reserves to be established by the Association for future pool repairs or improvements divided by the total number of Lots in the Development plus the total number of townhomes in East Lake Townhomes Subdivision with each said Lot and townhome bearing an equal amount of cost. The Association will compute a new total expense and reserve amount annually and present a bill to the East Lake Townhomes Homeowners' Association, Inc. for payment pursuant to the terms of said Swimming Pool Agreement.

IN WITNESS WHEREOF, Developer has caused this Declaration to be duly executed as of the day and year first above written.
