The initial ARC shall consist of Lee Carroll, David Green, and Scott Howell. SECTION 5.2 Maintenance. All Lots, whether occupied or unoccupied, and any improvements placed thereon, shall at all time be maintained in a neat and attractive condition and in such manner as to prevent their becoming unsightly by reason of unattractive growth on such Lot or the accumulation of rubbish or debris thereon. In order to implement effective control of this item, the Developer reserves for himself and his agents and the Association, the right, after ten (10) days notice to any Lot Owner, to enter upon any residential Lot with such equipment and devices as may be necessary for the purpose of mowing, removing, clearing or cutting underbrush, weeds or other unsightly growth and trash which in the opinion of the Developer or the Association detracts from the overall appearance and safety of the Subdivision. Such entrance upon such property for such purposes shall be only between the hours of 7 a.m. and 6 p.m. on any day except Sunday and shall not be a trespass. The Developer or the Association may charge the Lot Owner a reasonable cost for such services, which charge shall constitute a lien upon such Lot enforceable by appropriate proceedings at law or equity. The provisions of this paragraph shall not be construed as an obligation on the part of the Developer or the Association to mow, clear, cut or prune any Lot nor to provide garbage or trash removal services.

SECTION 5.3 Animals. No animals, livestock or poultry of any kind or description, except the usual household pets, i.e. cats and dogs, (not to exceed two in number), shall be kept on any Lot, provided that no household pet may be kept on any Lot for breeding or commercial purposes. No pet shall be allowed to make an unreasonable amount of noise or become a nuisance. No structure or area for the care, housing, or confinement of any pet shall be constructed or maintained in the front of any Dwelling; all such structures or areas shall be located at the rear of a Lot and only constructed of materials and of a size approved by the ARC. To the greatest extent possible, no structure or area for the care, housing, or confinement of any pet shall be visible from the road. Dogs and/or other pets shall not be allowed to roam unattended, but shall be kept and maintained within fenced or walled areas on a Lot, as approved by the ARC, or otherwise under leash. Each Owner shall be liable to the Association for the costs of repairing any damage to the Property caused by the animals of such Owner or Occupant. The Board shall have the right from time to time to promulgate rules and regulations governing the keeping of animals within the Property, including the right to assess fines for violations of such rules and regulations.

SECTION 5.4 Noxious, Offensive or Illegal Activities. No noxious, offensive or illegal activities shall be carried on upon any Lot nor shall anything be done on any Lot which may be or may become an annoyance or nuisance to the Subdivision, with the determination of what constitutes an annoyance or nuisance being in the sole discretion of the Association.

No oil or natural gas drilling, refining, quarrying or mining operations of any kind shall be permitted upon any Lot, nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted on any Lot. No water pipe shall be installed or maintained on any Lot above the surface of the ground except hoses and movable pipes used for irrigation purposes.

SECTION 5.6 Trash, Garbage and Refuse No trash, lumber, metal, garbage, rubbish, or debris of any kind shall be dumped, placed, or permitted to accumulate on any Lot, nor shall any nuisance or odors be permitted to exist or operate which would render any portion thereof unsanitary, unsightly, offensive, or detrimental to persons using, occupying, or owning any other Lots within the Property. No outside burning of wood, leaves, trash, garbage or household refuse shall be permitted, except during the construction phase without prior approval of the ARC and the City of Auburn. Any Owner or Occupant or any of the respective family members, guests, invitees, servants, agents, employees, or contractors of such Owner or Occupant who dumps, places, or allows trash or debris to accumulate on any other portion of the Property shall be liable to the Association for all costs incurred by the Association to remove the same.

Trash, garbage, and any other refuse or waste shall not be kept except in sanitary containers or garbage compactor units. Trash cans and containers shall at all times be kept at the rear of the Dwelling or inside a structure and shall be screened from view from streets and adjacent Lots by appropriate landscaping or fencing approved by the ARC; provided, however, that trash cans and containers can be moved to the front or side yard on trash collection days.

SECTION 5.7 Signs. All signs, billboards or advertising structures of any kind are prohibited except builder and subcontractor signs during construction periods and except one professional sign of not more than two (2) square feet to advertise the property during sale period. No sign shall be permitted to be nailed or attached to trees.

SECTION 5.8 Temporary Structure. No structure of a temporary character, mobile home, recreational vehicle, trailer, basement, tent or shack shall be used at any time as a residence either temporarily or permanently. There shall be no occupancy of any Dwelling until the interior and exterior of the Dwelling are completed and a certificate, or other satisfactory evidence of completion is received by the Developer or contractor from the Building Official of the municipality where the property is located.

SECTION 5.9 Destroyed Structure. Any Dwelling or other structure on any Lot in the Subdivision which is destroyed in whole or in part for any reason must be rebuilt in one (1) year. All debris must be removed and the Lot restored to a slightly condition with reasonable promptness, provided that in no event shall such debris remain on any Lot longer than sixty (60) days.

SECTION 5.10 Parking. No boat, boat trailer, house trailer, mobile home, camper, motor home, recreational vehicle or similar equipment or vehicle shall be parked or stored on any road, street, driveway, yard or Lot located in the Subdivision for any period of time in excess of twenty-four (24) hours, except in enclosed garages. No trucks larger than three-fourths (3/4) ton and no tractors or other excavating machinery shall be parked or stored on any road, street, driveway, yard or Lot located in the Subdivision for any period of time in excess of twenty-four (24) hours, except during the period of construction on the Lot. No cars shall remain on the street overnight. Any vehicle which is inoperable shall be immediately removed from the Lot. No Owner or Occupant shall repair or restore any vehicle, machinery, or equipment of any kind upon or within any Lot or within any portion of the Property, except (i) within enclosed garages or workshops or (ii) for emergency repairs and then only to the extent necessary to enable the immediate movement thereof to a proper repair facility.

SECTION 5.11 Non-residential Activity. No professional, business, home industry, religion, school, kindergarten or educational enterprises shall be conducted on any Lot. No Owner or Occupant of any Dwelling erected on any Lot shall ever rent or lease rooms, but such shall not be construed to prevent the rental of an entire residence to a family unit nor the employment of live-in-domestic servants.

SECTION 5.12 Yards and Drives. Prior to occupancy of any residence constructed on any Lot, all yard areas which are visible from any street or adjoining Lot must be planted with grass or have other suitable ground cover, and driveways must be paved or otherwise approved by the ARC.

SECTION 5.13 Set Back Lines. No building shall be located nearer to the street line than as indicated by the building set-back lines shown on the recorded Subdivision plat. Where these set-back lines are less than those required by the zoning ordinance of the municipality where the Lot is located, the higher requirement shall control. For the purposes of this paragraph, eaves, steps and open porches not covered by a roof structure shall not be considered as a part of building, provided however, that this shall not be construed to permit any portion of the building or construction on any Lot to encroach upon another Lot or upon reserved easements.

No structure or other permanent fixture, excluding landscaping planting and mail boxes shall be erected, placed or altered on any Lot between the street and the building set-back line unless the same be a retaining wall of masonry construction which does not in any event rise above the finished grade elevation of the earth embankment so retained, reinforced or stabilized. The exposed part of

such retaining walls shall be made of brick, natural stone or concrete block veneered with brick,
natural stone or other material approved by the ARC.

ARTICLE VI SET BACK LINES AND EASEMENTS

SECTION 6.1 **Building Set-Back Lines.** The building set-back lines shall be in accordance with the requirements of the City of Auburn.

SECTION 6.2 **Easement.** Utility and drainage easements shall be designated on the plat of the subdivision.

ARTICLE VII ASSOCIATION

SECTION 7.1 **Membership.** The owner of each Lot or Dwelling shall be a member of the Old Towne Station Homeowners' Association, Inc., (hereinafter referred to as the "Association"), a non profit corporation that will be created to facilitate the running of the Subdivision. Membership in the Association shall be appurtenant to and may not be separated from ownership of any Lot or Dwelling; provided, however, that (a) Developer shall be deemed a member of the Association and shall have one (1) vote for each Lot or Dwelling owned by Developer in the Subdivision; (b) in the event any Lot or Dwelling is owned by more than one (1) person, then the Owner of such Lot shall, by written notice to the Association's Board of Directors, (hereinafter referred to as the "Board"), designate only one (1) representative to serve as a member of the Association who shall exercise all voting rights attributable to the Lot or Dwelling owned by such Owner; and (c) no Mortgages shall become a member of the Association until such time, if at all, that the Mortgagee becomes an owner by virtue of foreclosure of its mortgage and title to such encumbered Lot or Dwelling is vested in Mortgagee pursuant to a duly recorded deed. The transfer or conveyance of fee title to any Lot or Dwelling (other than by a mortgage as security for the payment of an obligation) shall automatically include the transfer of all membership rights of such owner in the Association with respect to the Lot or Dwelling transferred and conveyed, notwithstanding any failure of the transferor to endorse to his transferee any certificates, assignments, or other evidence of such membership. Membership or the rights and benefits in the Association may not be transferred, assigned, conveyed, or otherwise alienated in any manner separately and apart from the ownership of a Lot or Dwelling. Each member of the Association shall at all times comply with the provisions of this Declaration, the Articles of Incorporation, the Bylaws, and all rules and regulations which may from time to time be adopted by the Board or the members of the Association.

SECTION 7.2 **Board.** The Board of Directors of the Association (the "Board") shall have the rights and duties set forth in the Articles of Incorporation and the Bylaws. Developer hereby retains and shall have the right to appoint or remove, with or without cause, any member or members of the Board and any officer or officers of the Association until such time as Developer no

longer is the owner of any Lot or Dwelling within the Subdivision, except a Dwelling used as a personal residence. Each Owner, by acceptance of a deed to or other conveyance of a Lot or Dwelling, vests in Developer such authority to appoint and remove members of the Board and officers of the Association as provided by this Section 7.2

SECTION 7.3 Voting Rights. The Owner of each Lot or Dwelling shall be entitled to one (1) vote in any matter submitted to the members of the Association for approval. No Owner, whether one or more persons, shall have more than one membership and one vote per Lot or Dwelling. Such voting rights shall continue to apply to each Lot or Dwelling upon the addition of any Additional Property to this Declaration. Each owner, by acceptance of a deed or other conveyance to a Lot or Dwelling, consents and agrees to the dilution of his or her voting interest in the Association by virtue of the submission of any Additional Property to the terms of this Declaration. For purposes of this Section 7.3, Developer shall be deemed to be the Owner of and entitled to all voting rights attributable to any Lots or Dwellings owned by Developer.

SECTION 7.4 Duties and Powers of Association. In addition to the rights, duties, responsibilities and obligations of the Association otherwise set forth in this Declaration, the Association shall have the power to do, cause to be done, and otherwise perform or cause to be performed any of the duties and powers set forth in its Articles of Incorporation and Bylaws. The Association may exercise any other right or privilege granted to it expressly by this Declaration or by law, together with every other right or privilege reasonably to be implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege. In the event of any conflict, ambiguity, or inconsistency between the Code of Alabama, this Declaration, the Articles of Incorporation, the Bylaws, or any rules and regulations adopted by the Association, then the provisions of the Code of Alabama, this Declaration, the Articles of Incorporation, the Bylaws, and any rules and regulations adopted by the Association, in that order, shall prevail and each Owner, by acceptance of a deed or other conveyance to a Lot or Dwelling, covenants and agrees to vote in favor of and execute any amendments as may be necessary to remove or alleviate any such conflict, ambiguity, or inconsistency. The powers of the Association shall include, but not be limited to:

7.4.1 The power to purchase one or more Lots and/or Dwellings and any other real or personal property, whether tangible or intangible, and to hold, lease, mortgage, sell, and otherwise convey the same.

7.4.2 Subject to the provisions of this Section 7.4, the right to borrow money for the purpose of acquiring additional Common Areas for constructing, repairing, maintaining, or improving the Common Areas or any portion thereof or for providing any of the services authorized herein.

7.4.3 Subject to the provisions of this Section 7.4, the right to give mortgages or other security instruments encumbering all or any part of the Common Areas as security for

any loan obtained by the Association; provided, however, that the independence of any such mortgage shall be subject and subordinate to all of the rights and interests of the Developer, the ARC, the Association, and all Owners and Occupants.

7.4.4 The right to grant and accept easements.

7.4.5 The right to dedicate or transfer fee simple title to all or any portion of the Common Areas to any governmental authority; provided, however, that except as provided herein in this Declaration the dedication or transfer of title to any of the Common Areas must be approved by a majority of those Owners present in person or by proxy at a duly held meeting of the Association called for such purposes.

7.4.6 The right to arrange with any governmental authorities or any public or private utilities or others, for the furnishing of trash collection, water, sewer, and/or security services for the Common Areas and/or the Lots and Dwellings.

For so long as Developer shall own any Lot or Dwelling, the Association shall not, without the consent of Developer, borrow money or pledge, mortgage, encumber, sell, or otherwise convey an interest it may have in the Common Areas. Except as otherwise specifically provided to the contrary herein, the Association's Articles of Incorporation or Bylaws, the powers and authority granted to the Association may be exercised by the Board, acting through the officers of the Association, without further consent or action on the part of the Owners.

SECTION 7.5 Agreements. Subject to the conditions, restrictions, and other provisions of this Declaration, all agreements, actions, and determinations lawfully authorized by the Board shall be binding upon all Owners, their heirs, executors, personal representatives, administrators, successors, and assigns, and all others having any interest in the Subdivision. In performing its responsibilities hereunder, the Association, through the Board, shall have the right and authority to delegate to such persons of its choice such duties of the Association as may be determined by the Board. In furtherance of the foregoing and not in limitation thereof, the Association may obtain and pay for the services of any person or entity to manage its affairs or any part hereof, to the extent it deems advisable, as well as such other personnel as the Association shall deem necessary or desirable for the proper operation of any portion of the Subdivision, whether such personnel are furnished or employed directly by the Association or by independent contract with the Association. All costs and expenses incurred incident to the employment of a manager of the Subdivision or any of the Common Areas shall be a common expense. During the term of any such management agreement entered into by the Association with a third party, such manager may, if authorized by the Board, exercise all the powers and shall be responsible for the performance of all of the duties of the Association, excepting any of such powers or duties specifically and exclusively reserved to the Board or the officers of the Association by the Declaration, the Articles of Incorporation, or the Bylaws. Such manager may be an individual, corporation, or other legal entity and may be bonded in such manner as the Board may require with the costs of such bond to be a common expense. In addition to the foregoing, the

Association may pay for and the Board may hire and contract for such legal and accounting services as are necessary or desirable in connection with the operation of the Subdivision, or the enforcement of this Declaration, the Articles of Incorporation, the Bylaws, or any rules and regulations of the Association.

SECTION 7.6 Management by Developer or its Affiliates. Developer or any affiliate thereof may be employed by the manager of the Association and the Subdivision for so long as Developer owns any Lot or Dwelling within the Subdivision, at such compensation on such terms as would be usual, customary, and obtainable in an arms-length transaction with any third party providing comparable services for any real estate development in the southeastern United States of the size, quality, and nature of the Subdivision. Each owner, by acceptance of a deed to or other conveyance of a Lot or Dwelling, shall be deemed to ratify the provisions of this Section 7.6 and specifically be deemed to have approved any such management agreement entered into by the Association and Developer or any affiliate thereof.

SECTION 7.7 Rules and Regulations. The Board may establish and enforce reasonable rules and regulations governing the use of all Lots, Dwellings, and Common Areas. Without limiting the foregoing, the Board may adopt rules and regulations which shall govern the use of any of the Common Areas (including specifically, the use of any of the recreational facilities, if any, situated within the Common Areas), the enforcement of all of the terms and provisions of this Declaration, and any rules and regulations adopted by the Board and such other matters. Copies of such rules and regulations shall be binding upon all Owners and Occupants until and unless such rule or regulation is specifically overruled, canceled, or modified by the Board or by the majority vote of the total votes of the Association at any regular or special meeting of the Association; provided, however, that no such rules or regulations may be overruled, canceled, or modified unless such action is also approved by Developer for as long as Developer owns any Lot or Dwelling in the Subdivision.

SECTION 7.8 Indemnification. The Association shall and does hereby indemnify, defend, and agree to hold each and every officer, agent, representative, and member of the Board of the Association and the ARC harmless from and against any and all expenses, including court costs and reasonable attorneys' fees, suffered, paid or incurred by any such officer, agent, representative, or member of the Board or the ARC in connection with any action, suit, or other proceedings (including the settlement or any suit or proceedings if approved by the Board) to which such person may be made a part by reason of being or having been an officer, agent, representative, or member of the Board of the Association or the ARC. The officers, agents, representatives, and members of the Board of the Association and the ARC shall not be liable for any mistake in judgment, negligence, or otherwise except for their own willful misconduct or reckless disregard of duty, as finally determined by a court of competent jurisdiction. The officers, agents, representatives, and members of the Board of the Association and the ARC shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association, and the Association shall and does hereby indemnify, defend, and agree to forever hold each such officer, agent, representative, and member of the Board harmless from any and all liability to others on

DEEDS Book A Page
account of any such contract or commitment. The indemnification obligations and rights provided for herein shall not be exclusive of any other rights to which any officer, agent, representative, or member of the Board of the Association or the ARC may be entitled, including anything provided to the contrary contained in the Articles of Incorporation or the Bylaws. The Association shall maintain adequate general liability and officers and directors liability insurance in order to fulfill its obligations under this Section 7.8 and the costs of such insurance shall constitute a common expense.

ARTICLE XIII COMMON AREA ASSESSMENTS

SECTION 8.1 Assessments and Creation of Lien. Each Owner of a Lot or Dwelling, by acceptance of a deed or other instrument conveying any interest therein, regardless of whether such deed or instrument contains a reference to this Declaration, is hereby deemed to covenant and agree to pay to the Association: (a) annual Assessments, as established and to be collected as provided in section 8.3 and 8.4 below; (b) special Assessments, to be established and collected as provided in Section 8.5 below; and (c) individual Assessments against any particular Lot or Dwelling which are established or assessed pursuant to the terms of this Declaration, including, but not limited to, any fines as may be levied or imposed against such Lot or Dwelling in accordance with the provisions herein. All Assessments, together with late charges and interest, and all court costs and attorneys' fees incurred by the Association to enforce or collect such Assessments, shall be an equitable charge and a continuing lien upon each Lot or Dwelling for which the owner thereof is responsible for the payment of the same, which lien may be enforced in the manner provided herein.

SECTION 8.2 Purpose of Assessments. The annual and special Assessments provided for herein shall be used for the general purposes of promoting the recreational, health, safety, welfare, common benefit, and enjoyment of the Owners and Occupants of the Subdivision and otherwise for the general upkeep and maintenance of the Subdivision, including, specifically, the Common Areas, the pool, the clubhouse, and any improvements thereto, all as may be more specifically authorized from time to time by the Board.

SECTION 8.3 Annual Assessments. Annual Assessments shall be levied by the Association against each Lot and shall be collected and held by the Association for the payment of expenses including without limitation, administrative expenses, utility charges, repair, replacement and maintenance expenses in the Development. The annual Assessment shall be divided into twelve (12) equal payments to be paid monthly on the first (1st) day of the month. The foregoing provisions of this Article notwithstanding, no Lot retained by the Developer shall be subject to nor shall Developer be required to pay any annual Assessment so long as ownership of said Lot remains in the Developer.

SECTION 8.4 Initial Assessments. The initial Assessment for each Lot shall be \$125.00 per month. An estimate of the initial Assessment is attached hereto as Exhibit "A". The Association will retain the services of Developer, to manage the Development for so long as Developer holds title to any Lot or Dwelling within the Development. All sums collected shall be deposited into an escrow

account and Developer will maintain the Association's escrow account, until such time as Developer turns control of the ARC and Board over to the Association.

SECTION 8.5 Special Assessments. The Association may, by majority vote of Lot Owners voting in person or by proxy at a meeting duly called for such purposes, levy special Assessments for any costs in connection with the construction, reconstruction, repair, or replacement of areas in the Subdivision. The foregoing provisions of this Article notwithstanding, no Lot retained by the Developer shall be subject to nor shall Developer be required to pay any special Assessment so long as ownership of said Lot remains in the Developer.

SECTION 8.6 Non-payment Remedies. Any Assessment which is not paid when due shall be delinquent. If an Assessment for a Lot is not paid within ten (10) days after the due date, the Lot Owner (s) shall be in default and the Association may declare the balance of the entire annual Assessment for such Lot immediately due and payable. If the Assessment is not paid within thirty (30) days after the date due, the Assessment shall bear interest from the date due at the rate of twelve percent (12%) per annum, and the Association may bring suit to recover a money judgment for the unpaid Assessment against the Lot Owner without waiving the lien, and/or file a lien against such Lot. When either of the preceding remedies is exercised by the Association, interest, costs and attorneys' fees equal to fifteen percent (15%) of the principal and interest due shall be added to the amount of such Assessment as may then be due. Further, if the Assessment is not paid within thirty (30) days after the date of default, the Association shall give prompt notice of default to the holder of any first mortgage upon said Lot. Each Lot Owner by his acceptance of a deed to a Lot from the Developer or from any subsequent Owner of a Lot vests in the association or its agents the right and power to bring all actions against him personally for the collection of such charges as a debt and to file and foreclose a lien in a suit brought in the name of the Association in the same manner as a foreclosure of a mortgage on real property. This lien provided for herein shall be in favor of the Association and shall be for the benefit of all Lot Owners. If a Lot Owner defaults in the payment of his Assessment, the Association shall have the right to declare the entire Assessment for the year to be due and payable, together with all costs and attorneys' fees as provided herein. Non-use or abandonment of the Lot shall not constitute a defense against any action on account of any unpaid Assessments.

Section 8.7 Responsibility of Developer. The Developer shall not have any responsibility to pay Assessments regarding Lots which are unsold, unless it elects to pay the same.

**ARTICLE IX
ENFORCEMENT**

SECTION 9.1 In the event of a violation or breach of any of these restrictions by any Owner, Occupant or family of Owner(s) or Occupants, the Developer, the Association, any Owner(s) of Lot(s), or any party to whose benefit these restrictions shall inure, shall have the right to proceed at law or in equity to compel compliance with the terms and conditions hereof, to prevent the violation or breach of said restrictions, to sue for and recover damages, reasonable attorney's fees,

cost of court, or other charges or to take all such courses of action at the same time, or such other legal remedy it may deem appropriate. Any delay or failure on the part of an aggrieved party to invoke an available remedy set forth herein shall not be held to be waiver of that party or an estoppel of that party or of any party to assert any right available to that party upon the recurrence or continuation of said violation or the occurrence of a different violation.

ARTICLE X TERMS AND MODIFICATION

SECTION 10.1 Term. These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of twenty (20) years from the date these covenants are recorded, after which time said covenants shall expire unless extended. One or more extensions of the term of these covenants may be made by recording, prior to the expiration of the original term or any extension thereof, an instrument signed by the majority of the then Owners of the Lots extending the term of said covenants. No extension shall be for a term longer than ten years.

SECTION 10.2 Amendment by Developer. For so long as Developer owns any Lot or Dwelling within the Subdivision, Developer may amend this Declaration by a written instrument filed and recorded in the Probate Office of Lee County, Alabama, without obtaining the approval of any Owner or Mortgagee; provided, however, that except as otherwise provided in section 10.3 below: (a) in the event any amendment proposed by Developer materially and adversely alters or changes any Owner's rights to the use and enjoyment of his Lot or Dwelling or materially and adversely affects the title to any Lot or Dwelling, then such amendment shall be valid only upon the written consent thereto by fifty percent (50%) of all of the Owners (including Developer who shall have the voting rights attributable to any Lots or Dwellings owned by Developer); or (b) in the event any such proposed amendment by Developer would materially and adversely affect the title and interest of any Mortgagee, such amendment shall be valid only upon the written consent thereto of all such Mortgagees affected thereby. Any amendment made pursuant to this Section 10.2 shall be certified by Developer and shall be effective upon recording of the same in the Probate Office of Lee County, Alabama.

SECTION 10.3 Amendment by Owners. Amendments in this Declaration, other than those authorized by Section 10.2 above, shall be proposed and adopted by the Association in the following manner:

10.3.1 At any annual or special meeting of the members of the Association, an amendment to this Declaration may be proposed by either the Board of the Association or by any Owners present in person at such meeting. Any such proposed amendment must be approved by the Owners holding at least two-thirds (2/3) of the total votes in the Association; provided, however, that (i) any amendment which materially and adversely affects the security, title, or interest of any Mortgagee must be approved by such Mortgagee; and (ii) during any period in which Developer owns a Lot or Dwelling in the Subdivision, then Developer must approve such proposed amendment.

2307 22

10.3.2 Any and all amendments which have been approved in accordance with the provisions of Section 10.3.1 above shall be executed by all parties whose consent to the same is required, including the Owners holding at least two-thirds (2/3) of the total votes in the Association; provided, however, that in the alternative, a sworn statement of the President of the Association or by the Chairman of the Board stating unequivocally that the agreement of the requisite number of Owners was lawfully obtained may be attached to and incorporated into such amendment without joinder of any Owners. Any such amendment shall be effective upon recording of the same in the Probate Office of Lee County, Alabama.

ARTICLE XI SEVERABILITY

SECTION 11.1 Severability. Every one of the restrictions is hereby declared to be independent of, and severable from the rest of the restrictions and of and from every other one of the restrictions and of and from every combination of the restrictions. Invalidation by any court of any restrictions in this instrument shall in no way affect any of the other restrictions which shall remain in full force and effect.

SECTION 11.2 Developer's Rights to Improve Standards. The Developer may include in any contract or deed hereinafter made or entered into, such modifications and/or additions to these protective covenants and restrictions, which will by their nature raise the standards of the Subdivision.

ARTICLE XII GENERAL

SECTION 12.1 Captions and Headings. The captions and headings contained in this Declaration are for convenience of reference only and shall not be used in the construction or interpretation of any provisions of this Declaration.

SECTION 12.2 Pronouns and Plurals. All personal pronouns used in this Declaration, whether used in the masculine, feminine, or neuter gender, shall include all other genders. The use of the singular tense shall include the plural and the use of the plural shall include the singular.
