Section 2.     Additions to the Properties.     Additional property may become subject to this Declaration in the following manner:

(a)     Additions by the Declarant as a Matter of Right.     The Declarant, its successors or assigns, shall have the right, without consent of the Association, so long as the Class "B" Membership is in existence, at any time or times on or before July 1, 2026, to bring within the scheme of this Declaration and make a part of the Properties all or any portion of the property described in Exhibit "C" attached hereto and, by reference, made a part hereof not theretofore made a

part of the Properties; provided that, should the Declarant, its successors or assigns, elect not to subject such property or any part thereof to the scheme of this Declaration, the Declarant, its successors or assigns, shall not be obligated to impose covenants thereon the same as or similar to the covenants contained herein. Notwithstanding anything contained herein which might be otherwise interpreted to produce a contrary result, this Declaration does not create any charge, lien or any other encumbrance or restriction on or affect in any way the title to any property other than that which is described in Exhibit "A" attached hereto and, by reference, made a part hereof. The additions authorized under this subsection shall be made by filing of record one or more Supplementary Declaration with respect to the additional properties, executed by the Declarant, its successors or assigns, which shall extend the scheme of the Covenants contained herein to such properties and thereby subject such additions to assessment for their just share of the Association expenses. In no event, however, shall any such Supplementary Declaration revoke, modify or add to the Covenants established by this Declaration regarding the property described in said Exhibit "A".

(b) Additions Pursuant to Association Approval. Upon approval in writing of the Association pursuant to a vote of its Members and upon compliance with such terms and conditions as may be imposed by the Association pursuant to such vote, the Owner of any property, other than that which may be subjected to the scheme of this Declaration by the Declarant, its successors or assigns, as a matter or right, who desires to add it to the scheme of this Declaration and to subject it to the jurisdiction of the Association, may file of record a Supplementary Declaration as described in subsection (a) above except that each such Supplementary Declaration shall be executed jointly by the Owner of the property thus being added and the Association. Notwithstanding the foregoing, improvements constructed or to be constructed on such additional properties shall be of comparable or higher quality construction and aesthetically compatible in terms of architectural styles with the improvements constructed or to be constructed on the property described in Exhibit "A" attached hereto. Approval by the Association shall require the assent of two-thirds (2/3) of the votes of each class of Members of the Association voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members at least 30 days in advance and shall set forth the purpose of the meeting. The quorum required for such meeting shall be the presence there at of Members and/or proxies entitled to cast sixty percent (60%) of the votes of each class of Members of the Association. If the required quorum is not forthcoming at such meeting, another

meeting may be called, subject to the notice requirements set forth herein, and the required quorum at any such subsequent meeting shall be forty percent (40%) of the votes of each class of Members of the Association; provided, however, that no such subsequent meeting shall be held more than 21 days following the preceding meeting.

Section 3. Additional Ownerships to Become Members. Upon the filing of any Supplementary Declaration as provided for in Section 2 of this Article II, the Owners of such property shall become Members of the Association and, subject to the provisions of Article III hereof, such Owners and their successors in title shall thereby acquire with respect to such property, the rights and privileges granted herein to Members of the Association.

### ARTICLE III

The Membership of the Association shall consist of (a) every record Owner, whether it be one or more persons, of fee simple title to any real property situated within the Properties excluding, however, the Association and those persons having such interest merely as security for the performance of an obligation, and (b) the Declarant subject to the following provisions of this Article III. Membership shall be appurtenant to and may not be separated from Ownership of such real property, which Ownership shall be the sole qualification for Membership.

Section 2. Voting Rights. Subject to the following provisions of this Section 2, the Association shall have two classes of voting Membership: Class "A" and Class "B".

CLASS "A": Class "A" Members shall be all those Owners of Lots (except as set forth under Class "B" Membership provisions below). Except as provided below, a Class "A" Member shall be entitled to one vote for each Lot which such Owner owns.

CLASS "B": The Class "B" Member shall be the Declarant. The Class "B" Member shall be entitled to govern and control the Association so long as the Declarant is a record Owner of any real property within the Properties. The Class "B" Membership shall cease and be converted to Class "A" Membership upon the first of the following events to occur: (a) abolishment by the Declarant of its Class "B" Membership evidenced by written notice thereof delivered to the Association, or (b) July 1, 2026.

When any property entitling the Owner to Membership as a Class "A" Member of the Association is owned of record by other than a single natural person, the person entitled to cast the one vote for such property shall be designated by a certificate signed by the record Owner or Owners of such property and filed with the Secretary of the Association. Each such certificate shall be valid until revoked, superseded by a subsequent certificate or a change occurs in the Ownership of such property. The votes of the Members shall be cast under such rules and procedures as may be prescribed in this Declaration or in the By-laws of the Association, as amended from time to time, or by law.

The Declarant may retain legal title to the Association Properties described in Exhibit "B" attached hereto and, by reference, made a part hereof until the first conveyance of a Lot shown on the plat of survey referred to in Exhibit "A" by the Declarant to an Owner for purposes of residential occupancy. Prior to or simultaneously with such conveyance, the Declarant shall convey said Association Properties to the Association together with all improvements thereon. If, as and when additional property is subjected to the scheme of this Declaration pursuant to Article II hereof, the Owner thereof shall, prior to or simultaneously with the first conveyance of a Lot contained therein to an Owner for purposes of residential occupancy, convey all Association Properties comprising a part of such additional property to the Association free and clear of all liens and encumbrances together with all improvements thereon which must then be fully completed.

## ARTICLE V

### ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant hereby covenants and each Owner shall by acceptance of a deed, whether or not it shall be so expressed in such deed, be deemed to covenant and agree to all the terms and provisions of this Declaration and to pay to the Association: (a) annual assessments or charges; and (b) special assessments or charges for the purposes set forth in Section 4 of this Article V, such assessments to be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof as hereinafter provided, shall be a charge and continuing lien on the property and improvements thereon against which each such assessment is made. Each such assessment, together with such interest thereon and cost of collection thereof as hereinafter provided, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment first become due and payable. In the case of co-Ownership of such property, all of such co-Owners shall be jointly and severally liable for the entire amount of the assessment. Should the Association employ an attorney to collect any assessment, it shall be entitled to collect in addition thereto all costs of collection including reasonable attorney's fees.

Section 2. Purpose of Assessments. The annual assessments levied by the Association shall be used exclusively for the acquisition, improvement, maintenance and operation of the Association Properties; payment for services which the Association is authorized to provide including, but not limited to, taxes and insurance on the Association Properties, construction of improvements on the Association Properties, and repair, replacement and additions to the Association Properties; payment of the cost of labor, equipment, materials, management and supervision necessary to carry out its authorized functions; payment of the cost of street lights,

electricity for street lights; payment of principal, interest and any other charges connected with loans made to or assumed by the Association for the purpose of enabling the Association to perform its authorized functions; establishment and maintenance of an adequate reserve fund for maintenance, repairs and replacement of those portions of the Association Properties that must be replaced on a periodic basis; and other charges as may be required by this Declaration or that the Association or its Board of Directors shall determine to be necessary to meet the primary purposes of the Association. Special assessments shall be used for the purposes set forth in Section 4 of this Article V. Notwithstanding the levy of annual or special assessments as aforesaid, the Association shall be entitled to charge a reasonable user's fee for recreational facilities comprising a part of the Association Properties. First Mortgagees of Lots and the first Mortgagee, if any, of the Association Properties may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against any Association Properties and may pay overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy, for such Association Properties and first Mortgagees making such payments shall be owed immediate reimbursement therefore from the Association. Each Owner shall be responsible for his own return of taxes on his Lot and for the payment of all taxes and governmental assessments, if any, assessed thereon by the taxing authorities.

Section 3. Annual Assessments. Beginning June 1, 2006, the annual assessment shall not exceed \$250 per Lot, payable annually on January 15 of each year. There shall be no assessment against any Lot owned by Declarant. From and after January 1, 2007, the maximum annual assessment for any succeeding year shall not exceed by more than ten percent (10%) the amount of the assessment for the preceding year unless such increase by more than 10% over the preceding year's assessment shall have the assent of at least two-thirds (2/3) of the votes cast by the Members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to the Members not less than 30 days nor more than 60 days in advance of the meeting setting forth the purpose of the meeting. The Association's Board of Directors shall, after consideration of current costs and future needs of the Association, fix the actual annual assessment for any particular year at an amount not to exceed the applicable maximum annual assessment. However, if the Board of Directors should fix such annual assessment at an amount less than the maximum annual assessment and it is subsequently determined by the Board that the

amount assessed will not be sufficient, the Board shall have the power to make supplemental annual assessments but in no event shall the sum of the initial and supplemental annual assessments in any one year exceed the applicable maximum without Member approval as provided hereinabove. Should the Board of Directors fail to fix the annual assessment for any particular year, the prior year's assessment shall be continued automatically until such time as the Board shall act.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessment authorized by Section 3 hereof (i) the Association's Board of Directors may levy special assessments for the purpose of defraying, in whole or in part, the cost of: construction or reconstruction on the Association Properties; unexpected maintenance, repair or replacement of the Association Properties and capital improvements thereon, if any, including the necessary fixtures and personal property related thereof; additions to the Association Properties; necessary facilities and equipment to offer the services authorized herein; and repayment of any loan made to the Association to enable it to perform the duties and functions authorized herein; provided, however, that any such assessment shall have the assent of two-thirds (2/3) of the votes cast by the Members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to the Members not less than 30 days nor more than 60 days in advance of the meeting setting forth the purpose of the meeting, and (ii) each purchaser of a lot containing a completed residential structure shall pay a one-time initiation fee equal to the annual assessment as set forth in Section 3 above, payable at closing of the purchase. The special assessments identified in Section 4(i) above, may not, in any one year, exceed twice the sum equal to the amount of the annual assessment for such year except for emergency and other repairs required as a result of storm, fire, natural disaster or other casualty loss and may not be used to fund the reserve for maintenance, repairs or replacement of those portions of the Association Properties that must be replaced on a periodic basis.

Section 5. Quorum for Any Action Authorized Under Sections 3 and 4. At the first meeting called, as provided for in Section 3 and 4 of this Article V, the presence at the meeting of Members or of proxies entitled to cast sixty percent (60%) of the votes of the Members shall constitute a quorum. If the required quorum is not forthcoming at the first meeting called, not more than two subsequent meetings may be called, subject to the notice requirements set forth in said Sections 3 and 4, and the required quorum at any such subsequent meeting shall be one-half (1/2) of

the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

Section 6. Rate of Assessment. Unless otherwise expressly provided herein or in any Supplemental Declaration regarding property of a different character, both annual and special assessments shall be fixed at a uniform rate. Any amendment to this Declaration for the purpose of changing the method of determining or rate of assessments shall require, in addition to the requirements set forth in Article XI, Section 2, hereof, the prior written approval of holders of at least three-fourths (3/4) of all first mortgages secured by Lots.

Section 7. Date of Commencement of Annual Assessments; Due Dates; Proration. The annual assessments provided for in this Article V shall be established on a calendar year basis and shall commence immediately; provided, however, the annual assessment due for the year in which a record Owner (other than Declarant) obtains title to any real property within the Properties shall be prorated on a daily basis for such calendar year. The Board of Directors shall fix the amount of the annual assessment and send written notice of same to every Owner subject thereto at least 30 days in advance of each annual assessment period. Unless otherwise provided by the Board of Directors, the annual assessment for each Lot shall become due and payable on the fifteenth day of January of each year provided, however, said annual assessment shall be prorated based on a daily basis of title ownership. The due date of any special assessment shall be fixed in the resolution authorizing such special assessment.

The Association shall, within five days after written request therefore, furnish to any Member liable for an assessment a certificate in writing signed by an officer of the Association setting forth whether said assessment has been paid. A reasonable charge, as determined by the Association's Board of Directors or Agent, may be made for the issuance of such certificates. Any such certificate shall be conclusive evidence, against all but the Member, of payment of any assessment therein stated to have been paid.

Section 8. Effect of Non-Payment of Assessments: The Personal Obligation of the Owner; The Lien; Remedies of the Association.

(a) If an assessment is not paid on or before the date when due (being the dates specified in Section 7 hereof, unless otherwise provided by the Board of Directors), then such assessment shall become delinquent and shall, together with such interest thereon and cost of

collection thereof as hereinafter provided, thereupon become a continuing lien on the Lot of the Member which shall bind such Lot in the hands of the then Owner, his heirs, devisees, personal representatives, successors and assigns. In addition to the lien rights, the personal obligation of the Member to pay such assessment shall remain his personal obligation and shall not pass to his successors in title unless expressly assumed by them. If such successors in title assume such Member's personal obligation such Member shall nevertheless remain as fully obligated as before to pay to the Association any and all amounts which he was obligated to pay immediately preceding the transfer; and such Member and such successors in title assuming such liability shall be jointly and severally liable with respect thereof, notwithstanding any agreement between such Member and such successors in title creating the relation of principal and surety as between themselves.

(b) If an annual assessment or a special assessment is not paid within 30 days after the due date, the amount then due shall bear interest from said due date at the maximum rate allowed by law. Additionally, the Association may assess a late fee of \$25. Also, the Association may bring legal action against the Member personally obligated to pay the same or foreclose its lien against such Member's Lot, in which event, interest, costs and attorney's fees equal to fifteen percent (15%) of the principal amount shall be added to the amount of such assessments as may then be due. Each Member, by his acceptance of a deed to the Member's Lot, vests in the Association the right and power to bring all actions against the Member personally for the collection of such charges as a debt and to foreclose the aforesaid lien in any appropriate proceeding at law or in equity. The lien provided for in this Article V shall be in favor of the Association and shall be for the benefit of all other Members. The Association, acting on behalf of the Members, shall have the power to bid in the Lot at any foreclosure sale and to acquire, hold, lease, mortgage and convey the same. No Member may waive or otherwise escape liability for the assessments provided for herein by non-use of the Association Properties and facilities or by abandonment of his Lot.

(c) If an assessment is not paid on or before the date when due, the Association may also suspend the voting rights and right to use any Association recreational facilities of the delinquent Member. Any such suspension shall not affect such Member's obligation to pay assessments coming due during the period of such suspension and shall not affect the permanent charge and lien on such Member's Lot in favor of the Association.

Section 9. Subordination of the Charges and Liens to Mortgages.

(a) The lien of the assessments and charges provided for herein (annual, special or otherwise) is hereby made subordinate to the lien of any first mortgage placed on the Lots subject to assessment if, but only if, all assessments and charges with respect to such Lots authorized herein having a due date on or prior to the date such mortgage is filed for record have been paid. The lien hereby subordinated is only such lien as relates to assessments and charges authorized hereunder having a due date subsequent to the date such mortgage is filed for record and prior to the satisfaction, cancellation or foreclosure of such mortgage or the sale or transfer of the mortgaged Lot pursuant to any proceeding in lieu of foreclosure or the sale or transfer of the mortgaged Lot pursuant to a sale under power contained in such mortgage.

(b) Such subordination is merely a subordination and shall not relieve the Owner of the mortgaged Lot of his personal obligation to pay all assessments and charges coming due at a time when he is the Owner of such Lot; shall not relieve such Lot from the lien provided for herein (except to the extent a subordinated lien is extinguished as a result of subordination as against a mortgage or such Mortgagee's assignee or transferee by foreclosure or by sale or transfer in any proceeding in lieu of foreclosure or by sale under power); and no sale or transfer of such Lot to the Mortgagee or to any other person pursuant to a decree of foreclosure, or pursuant to a sale under power, shall relieve any existing or previous Owner of such Lot of any personal obligation, or relieve such Lot or the then Owner of such Lot from liability for any assessments or charges authorized hereunder coming due after such sale or transfer.

Section 10. Exempt Property. The following property subject to this Declaration shall be exempt from the assessments, charges and liens created herein: (a) all properties to the extent of any easement or other interest therein dedicated to and accepted by a local public authority and devoted to public use; and (b) all Association Properties; and (c) all property owned by the Declarant.

## ARTICLE VI

### ADMINISTRATION

Section 1. Responsibility for Administration. The administration of the property subject to the jurisdiction of the Association, the maintenance, repair, replacement and operation of the Association Properties and facilities and those acts required of the Association by this Declaration shall be the responsibility of the Association. Such administration shall be governed

by this Declaration and the Association's Articles of Incorporation and Bylaws, as amended from time to time. The powers and duties of the Association shall be those set forth in said documents, together with those reasonably implied to effect its purposes, and shall be exercised in the manner provided therein.

Section 2. Management Agreements. The Association may enter into such management agreements as may be necessary or desirable for the administration and operation of the property subject to the jurisdiction of the Association. Such management agreements shall be entered into pursuant to resolution duly adopted by the Association's Board of Directors, each of which shall provide therein; the compensation to be paid; the term thereof which shall not exceed one year, renewable by agreement of the parties for successive one-year periods; the termination thereof by either party without cause or payment of a termination fee on 90 days or less written notice; the termination thereof by either party for cause on 30 days written notice; and such other matters as may be agreed upon which are not inconsistent with the terms of this Declaration or the Association's Articles of Incorporation and Bylaws, as amended from time to time. Copies of any management agreements then currently in effect shall be made available for inspection by the Members, each of whom shall be bound by the terms and conditions thereof. Should the Association enter into any management agreement as provided for herein and thereafter, upon the termination or expiration of same, assume self management of the property subject to its jurisdiction, the Association shall provide written notice thereof to each Mortgagee of a Lot whose name and address have theretofore been furnished to the Association together with a written request for such notice.

Section 3. Limitation of Liability; Indemnification. Notwithstanding the duty of the Association to maintain, repair and replace parts of the Association Properties and facilities, the Association shall not be liable for injury or damage caused by any latent condition of the Association Properties and facilities nor for injury or damage caused by the elements, its Members or other persons; nor shall any officer or director of the Association be liable to any Member for injury or damage caused by such officer or director in the performance of his duties unless due to the willful misfeasance or malfeasance of such officer or director. Each officer or director of the Association shall be indemnified by the Association against all expenses and liabilities, including attorneys' fees, reasonably incurred by or imposed upon him in connection

with any proceeding to which he may be a party, or in which he may become involved, by reason of his being or having been such an officer or director, or any settlement thereof, whether or not he is such an officer or director at the time such expenses and liabilities are incurred, except in such cases wherein the officer or director is adjudged guilty of willful misfeasance or malfeasance in the performance of his duties; provided that, in the event of a settlement, the indemnification shall apply only when the Board of Directors approves such settlement and reimbursement as being for the best interests of the Association.

## ARTICLE VII

### INSURANCE AND CASUALTY LOSSES

Section 1.     Insurance.     The Association's Board of Directors shall obtain insurance for all insurable improvements on the Association Properties against loss or damage by fire or other hazards, including extended coverage, vandalism and malicious mischief, in an amount sufficient to cover the full, current replacement cost, less ordinary deductible amounts, of any repair or reconstruction in the event of damage or destruction from any such hazard. The Board of Directors shall also obtain a public liability policy covering all Association Properties and facilities for the hazards of premises operations or actions arising out of bodily injury, property damage, false arrest, invasion of privacy and libel and slander caused by the negligence of the Association or any of its agents, which public liability policy shall be in such amounts as is determined to be adequate by the Board of Directors. Premiums for all such insurance shall be common expenses paid for by the Association.

Section 2.     Damage and Destruction.

(a) Immediately after any damage or destruction by fire or other casualty to all or any part of the property covered by insurance written in the name of the Association, the Board of Directors or its duly authorized agent shall proceed with the filing and settlement of all claims arising under such insurance, obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property and, if such damage or destruction is substantial, provide written notice of same to each Mortgagee having an interest therein whose name and address have theretofore been furnished to the Association together with a written request for such notice. Repair or reconstruction, as used in this Article, means repairing or restoring the property to substantially the same condition in which it existed prior to the fire or other casualty. Subject to subsection (c)

Section 1. Construction; Review and Approval.
