Section 10. Easement for Utilities – Association and Declarant. There is hereby reserved to the Land Owner and Declarant and granted to the Association a blanket easement upon, across, above, and under all property within the Community for access, ingress, egress, installing, altering, repairing, replacing, and maintaining all utilities serving the Community or any portion thereof, including, but not limited to gas, water, sanitary sewer, telephone, and electricity, as well as storm drainage and any other service such as, but not limited to, a master television system, or security system which the Land Owner, Declarant or the Association might decide to have installed to serve the Community. Land Owner, Declarant, the Association or the designees of the foregoing, as the case may be, may install, repair, replace, and maintain or authorize the installation, repair, replacement, and maintenance of such wires, conduits, cables, and other equipment related to the providing of any utility or service. Should any party furnishing any such utility or service request a specific license or easement by separate recordable document, Land Owner, the Declarant or the Board shall have the right to grant such license or easement. Owners shall not remove, relocate, or interfere in any way with any previously installed utility lines and facilities.

Section 11. Easement for Utilities – Residential Unit Owner. Land Owner and Declarant hereby establish for the benefit of each Residential Unit a nonexclusive easement for access to and installation, maintenance, repair, replacement, and use of all pipes, wires, cables, conduits, utility lines, flues, and ducts, serving such Residential Unit and situated in, on, or under any other Residential Unit, Lot, or the Common Area. Certain utility meters and facilities may be installed on the end of a building containing multiple Residential Units and utility lines serving other Residential Units may run across, over, under, or through neighboring Residential Units and Lots. Easements for all such utility lines are established by this Section 11 and Section 10 above. In the event any Owner desires access to another Residential Unit or Lot to install, maintain, repair, or replace any utility pipe, wire, cable, conduit, line, flue, or duct, the Owner shall contact the Owner(s) of such other Residential Unit(s) or Lot(s) at least two (2) days in advance of the date that access is needed and attempt to agree on a convenient date and time for access by the Owner and the Owners contractors. Access in an emergency situation shall be granted immediately upon request. Any Owner of a Residential Unit or Lot to which access is needed under this Section shall not unreasonably withhold, condition, or delay such access. Rights exercised pursuant to this easement shall be exercised with a minimum of interference to the quiet enjoyment of the affected Residential Units or Lots, reasonable steps shall be taken to protect such Residential Units or Lots and the personal property of the Owners and Occupants thereof, and damage shall be repaired by the Person causing damage thereto at its sole cost and expense. Notwithstanding anything to the

contrary herein, the Board of Directors, without a vote of the Owners, shall have the right, power, and authority to grant permits, licenses, utility easements, and other easements under, through, or over the Residential Units, Lots, and/or the Common Area as may be reasonably necessary for the proper maintenance and/or ongoing operation of the Community.

Section 12. Easement for Emergency Entry. The Association shall have the right, but not the obligation, to enter upon any Lot or Residential Unit for emergency, security, and safety reasons and to inspect for the purpose of ensuring compliance with this Declaration, the Bylaws, and Rules and Regulations, which right may be exercised by any member of the Board, the officers, agents, employees, and managers of the Association, and all policemen, firemen, ambulance personnel, and similar emergency personnel in the performance of their respective duties. This right of entry shall include the right of the Association to enter upon any Lot or Residential Unit to cure any condition which may increase the possibility of a fire or other hazard in an emergency situation and in the event an Owner fails or refuses to cure the condition within a reasonable period of time after requested by the Association.

Section 13. Easement for Drainage. There is hereby reserved by the Land Owner and Declarant and granted to the Association an easement upon, across, above, and under all storm water drainage easement areas as shown on the recorded subdivision plat(s) for the Community for access, ingress, egress, installing, altering, repairing, replacing, and maintaining the storm water drainage system and related facilities serving the Community or any portion thereof. This easement shall include the right to construct and maintain catch basins, retention ponds, detention ponds, drainage swales, storm sewers, storm drains, sloping banks, cut or fill. In addition, there is hereby reserved to the Land Owner and Declarant and granted to the Association a blanket easement across all Lots for creating and maintaining satisfactory drainage in the Community, provided, however, such easement area shall not include any Residential Unit located on a Lot. It is anticipated that increased storm water runoff across downstream Lots will result from the construction of impervious surface within or adjacent to the Community. Neither the Land Owner, the Declarant, the Association, nor any Builder shall have any liability to any Owner due to increased flow or increased velocity of surface water resulting from approved construction within the Community.

Section 14. Easement for Driveways and Sidewalks. Declarant and Land Owner hereby grant, convey, declare, create, impose, and establish a perpetual, non-exclusive right-of-way easement for vehicular and pedestrian access, ingress, and egress over and across the driveways and sidewalks located within the Community. The right-of-way easement herein granted shall permit joint usage of such easement by: (a) Owners and occupants of Units; (b) the legal representatives, successors, and assigns of Owners; and (c) invitees and licensees of Owners and occupants of Units. Declarant and Land Owner expressly reserve for themselves, their respective successors, and assigns, all rights and privileges incident to the ownership of the fee simple estate of any right-of-way easement areas which are not inconsistent with the rights and privileges herein granted, including, without limitation, the right to maintain one or more proprietary signs on the easement area and the right to grant additional non-exclusive easements to third parties, over, under, and across the easement area. Declarant and Land Owner hereby reserve for the benefit of themselves and grant to the Association the perpetual non-exclusive right and easement upon, over, and across those utility easement areas and driveways for the installation, maintenance, and use of such private streets, alleys, sidewalks, grading for proper drainage of said private streets and access drives, and related activities and improvements.

Section 15. Easement for Entrance Features. There is hereby reserved for the benefit of Declarant, the Association, and their respective successors and assigns, the perpetual, transferrable, and alienable right and easement upon, over, and on the Lots within the Community, for the installation and maintenance of entrance features, monuments, signs, lights, berms, trees bushes, shrubbery, flowers, grass, and other landscaping. The easement reserved herein shall include the right to repair and replace such entrance features, signs and lighting, to cut, remove and plant trees, shrubbery, flowers, grass and other vegetation, and to grade the land in such easement area.

ARTICLE IV

ASSOCIATION MEMBERSHIP AND VOTING RIGHTS

Section 1. Membership. Every Person who is the record Owner of a fee or undivided interest in a Lot that is subject to this Declaration shall have a membership in the Association. The foregoing is not intended to include Persons who hold an interest merely as security for the performance of an obligation, and the giving of a security interest shall not terminate an Owner's membership. No Owner, whether one or more Persons, shall have more than one (1) membership per Lot. The rights and privileges of membership, including the right to hold office, may be exercised by a Member or the spouse of a Member, but in no event shall more than one (1) Person representing a single membership hold office at the same time. This Section is not intended to prohibit the same individual from being both an officer and a director of the Association. Nothing in this Section shall restrict the number of votes cast or the number of officers and directors appointed by the Declarant.

Section 2. Voting. The Association shall have two classes of voting Members, Class A and Class B.

(a) **Class A.** Class A Members shall be all Owners with the exception of the Class B Member, if any. On any issue brought before the Members, Class A Members shall be entitled to cast one vote for each Lot in which they hold the interest required for membership by Section 1, above. When more than one person holds an interest in any Lot, the vote for such Lot shall be exercised as those Owners themselves determine, and if one of such multiple Owners exercises the vote without opposition by any other of such multiple Owners at the time such vote is exercised, the vote shall be as so exercised. In the event that more than one of such multiple Owners seeks to exercise the vote, the vote appurtenant to such Lot shall be suspended.

(b) **Class B.** The Class B Member shall be the Declarant. Prior to the Conversion Date, the Class B Member shall be entitled to cast votes equal to one hundred four percent (104%) of the aggregate number of votes eligible to be cast by all of the Class A Members (resulting in all of the Class A Members controlling not more than approximately forty nine percent (49%) of the eligible votes of all Members and the Class B Member controlling not less than approximately fifty one percent (51%) of the eligible votes of all Members). The Class B membership shall terminate upon the earlier of (hereinafter the "Conversion Date"):

(i) ninety (90) days after Buildout; or

- (ii) the date on which the Declarant, in its sole discretion, chooses to terminate the Class B membership by filing of record with the Office of the Judge of Probate of Lee County, Alabama a written notice of such termination.

From and after the Conversion Date, the Class B Member shall be deemed to be a Class A Member entitled to one (1) vote for each Lot in which it holds the interest required for membership under Section 1, above.

Notwithstanding any provision provided herein, the Members of the Association shall have no authority to make any decision or take an action on behalf of the Association which shall affect the rights of the Land Owner to complete the development of the Property, without prior written consent of the Land Owner prior to the conveyance of the Property to the Declarant.

Section 3. **Declarant Control.** Notwithstanding any other provision to the contrary in this Declaration, the Articles of Incorporation or Bylaws, Declarant retains the authority and right to appoint and remove any member of the Board of Directors and any officer of the Association until the Conversion Date. Every grantee of any interest in the Property, by acceptance of a deed or other conveyance of such interest, agrees that the Declarant shall have the authority to appoint and remove members of the Board of Directors and officers of the Association in accordance with the foregoing provision of this Section.

ARTICLE V

ASSOCIATION POWERS AND RESPONSIBILITIES

A. IN GENERAL.

Section 1. **Common Area.** The Association, subject to the rights, easements and privileges set forth in this Declaration, shall be responsible for the management and control of the Common Area and all improvements thereon and shall keep the Common Area in good repair and in a clean and attractive condition. The Association and not the Declarant shall have the obligation and responsibility to purchase any personal property deemed necessary or desirable for use with the Common Area, and to maintain, repair and replace all of the foregoing, as the Board deems necessary and appropriate. The Association shall maintain, operate and preserve the Common Area for the good and benefit of the Community and the holders of easements herein provided for or contemplated. The Association, through action of its Board, may acquire, hold and dispose of tangible and intangible real or personal property.

Section 2. **Services.** The Association may pay for the services of any person or entity to manage its affairs or any part thereof and any other personnel as the Association's Board of Directors shall determine to be necessary or desirable for the proper operation of the Community. Such personnel may be furnished or employed directly by the Association or by any person or entity with which it contracts. The Association may obtain and pay for legal, accounting and any other professional services necessary or desirable in connection with the operation of the Community or the enforcement of this Declaration, the Bylaws and Rules and Regulations. The Association may, but shall not be required to, arrange as an Association expense to furnish trash collection, security, cable television, landscaping, lawn care, and other common services to each Residential Unit within the Community. All costs and expenses incident to any of the foregoing shall be a Common

Expense. All costs and expenses billed to the Association which are incident to the provision of utilities or services by the City of Opelika shall be a Common Expense.

Section 3. Rules and Regulations. The Association, acting through its Board of Directors, may promulgate Rules and Regulations governing the use and occupancy of the Lots, Residential Units, and the Common Area, and all improvements located thereon, and governing the operation of the Community. The Rules and Regulations shall not, however, diminish, alter or affect the rights of use, easements, permits, privileges or licenses provided to the Land Owner or the Declarant or its successor and assigns. Copies of all Rules and Regulations and any changes thereto, must be furnished by the Association to all Owners prior to their effective date. The Rules and Regulations shall be binding upon all Owners and their families, tenants, guests, licensees, invitees and agents. The Owner of each Lot shall be responsible for the conduct of his or her family members, tenants, guests, licensees, invitees and agents and shall ensure that all of the foregoing individuals comply with the terms of this Declaration, the Bylaws and Rules and Regulations.

Section 4. Implied Rights. The Association may exercise any right or privilege given to it expressly by this Declaration, the Bylaws, Articles of Incorporation or Rules and Regulations of the Association and every other right and privilege reasonably necessary to be implied from the existence of any such right or privilege or reasonably necessary to effectuate any such right or privilege. To the extent not otherwise required by Alabama law, this Declaration, the Bylaws or the Articles of Incorporation, the powers granted to the Association shall be exercised by the Board of Directors, acting through the duly elected officers of the Association, without any consent or action on the part of the Members.

B. MAINTENANCE.

Section 1. Association Responsibility. The Association shall maintain and keep in good repair the Common Area, which shall include, without limitation, the maintenance, repair, and replacement of all landscaping and improvements situated thereon. The Association shall also maintain all Community infrastructure (whether or not constituting Common Area), including the following: (a) all landscaping, open space, and Community green space and improvements situated thereon; (b) all entrance features and entry area landscaping serving the Community, including, without limitation, any signage, monuments, entry features, or entry area landscaping, and any irrigation and/or lighting system provided to such entry features, regardless of whether the same are located on a Lot, Common Area, or a public right-of-way; (c) landscaping on a Lot as provided in Section 3(a) below; (d) private Community streets, sidewalks, street signs, any street medians and islands located along such private streets and any landscaping adjacent thereto, whether located on a Lot or Common Area; (e) all storm water detention/retention ponds, any gate, fence, or other enclosure surrounding said storm water detention/retention ponds, and all storm water drainage facilities serving the Community if and to the extent such facilities are private and not maintained by a governmental entity or third party and regardless of whether the same are located on a Lot or Common Area; provided, however, each Owner of a Lot shall be responsible for the maintenance, repair, and replacement of all storm water drainage facilities which are located on and exclusively serve a Lot; (f) retaining walls, perimeter walls, and perimeter fencing in the Community, if any; (g) all pipes, wires, conduits, utility lines, plumbing, and water lines and sanitary sewer pipes or facilities that serve more than one Residential Unit, if and to the extent the same are private and not maintained on an ongoing basis by a governmental entity; (h) the centralized mail kiosk and

mailboxes located thereon; (i) the Community recreational facilities and related parking areas, if any; and (j) any structures constructed on the Common Area.

Section 2. Exterior Residential Unit Maintenance.

(a) **By the Association.** Except for any maintenance performed to a Unit by the Association pursuant to Section 1 hereof, the Association shall not be responsible for the exterior maintenance of Residential Units. The Association shall be responsible for maintaining and keeping in good repair only the following exterior portions of the Residential Units: (i) the roof decking and shingles or other roofing materials on the Residential Units; (ii) the downspouts and gutters, if any; and (iii) painting and/or pressure washing the exterior building surfaces of a Residential Units and any deck which is attached to a Residential Unit on a schedule determined by the Board of Directors in its sole discretion. Notwithstanding the foregoing, the Association shall not be responsible for waterproofing foundations either above or below grade.

(b) **By the Residential Unit Owner.** Except for any maintenance performed to a Unit by the Association pursuant to Section 1 hereof, all Residential Unit maintenance shall be the sole responsibility of the Owner thereof, who shall maintain such Residential Unit consistent with the Community-Wide Standard and this Declaration. The Owner shall maintain and keep in good repair the exterior portions of the Residential Unit. Such obligation shall include, without limitation, the following: (i) prompt removal of all litter, trash, refuse, and waste; (ii) keeping improvements and exterior lighting in good repair and working order; (iii) complying with all governmental health and police requirements; (iv) repairing exterior damage to the Residential Unit; (v) maintenance, repair, and replacement of all steps, decks (whether enclosed or not), patios (whether enclosed or not), and patio surfaces and landscaping within the patios, planters, courtyards, if any and as needed; (vi) maintenance, repair, and replacement of any HVAC or similar equipment; (vii) maintenance, repair, and replacement of all doors, including screen and storm doors, hinges, and frames, and door frames and hardware which are a part of the entry system; (viii) maintenance, repair, and replacement of hose bibs contained in the exterior walls of a Residential Unit; (ix) maintenance, repair, and replacement of lighting fixtures attached to and serving a Residential Unit; (x) window screens, window frames and glass; (xi) maintenance, repair, and replacement of foundations and footings, including waterproofing, either above or below grade; (xii) maintaining grading and storm water drainage as originally established on the Residential Unit; (xiii) except as otherwise specifically provided herein, any pipe(s), wire(s), conduit(s), utility lines, plumbing and sanitary sewer and water lines which serve only the Residential Unit, regardless of whether said pipe(s), wire(s), conduit(s), utility lines, plumbing and sanitary sewer and water lines are located within or outside of a Residential Unit's boundaries; and (xiv) maintenance and repair of all driveways and walkways which exclusively serve a Residential Unit. If the Owner of a Lot fails to maintain or keep in good repair the exterior portions of the Residential Unit, the Association and its respective employees, Members, directors, officers, agents, successors and assigns shall have the right to give the Owner of such Lot written notice of such violation. If said violation is not corrected, the Association shall have the right to take such other action as may be allowed under this Declaration, the Bylaws or under applicable law.

Section 3. Lot Lawn and Landscape Maintenance.

(a) By the Association. Lawn and landscaping maintenance provided on a Lot by the Association shall include, but not be limited to, the following: (i) lawn mowing on a regular basis; (ii) tree and shrub pruning and weeding, as applicable; (iii) monitoring plants, shrubs, and lawns for insects and disease; (iv) installing pine straw on a schedule determined by the Board in its sole discretion; and (v) such other landscaping on a Lot as may be determined by the Board to be in the best interest of the Community.

The Board of Directors may promulgate rules setting forth the extent to which the Association will provide landscaping maintenance and may assume responsibility for providing additional landscaping maintenance as long as all Lots are maintained according to the same standard. The Board of Directors may authorize the officers of the Association to enter into contracts with any Person or Persons to perform landscaping maintenance hereunder on behalf of the Association.

(b) By the Lot Owner. Each Owner of a Lot shall be responsible for all Lot landscaping and landscaping maintenance which is not provided by the Association as provided above. If an Owner encloses any part of his or her Lots with a fence or otherwise, such Owner shall be responsible for all lawn and landscaping maintenance within such enclosed area and shall maintain such enclosed area as set forth herein.

Section 4. Failure of Owner to Maintain. In the event the Board of Directors determines that (i) any Owner has failed or refused to properly discharge his obligations with regard to the maintenance and repair for which he is responsible hereunder, or (ii) the need for maintenance, repair or replacement which is the responsibility of the Association hereunder is caused by the willful or negligent act of an Owner or his family, tenants, guests, licensees or invitees, the Association, except in the event of an emergency situation, may give the Owner written notice of the Association's intent to provide such maintenance, repair or replacement, at such Owner's sole cost and expense. The notice shall set forth with reasonable particularity the maintenance, repair or replacement deemed necessary and shall give the Owner ten (10) days within which to complete such maintenance, repair or replacement, or, in the event such maintenance, repair or replacement is not capable of completion within a ten (10) day period, to commence such work within such ten (10) day period and to complete such work within a reasonable time. If an Owner does not comply with the provisions hereof, the Association may provide such maintenance, repair or replacement at the sole cost and expense of the Owner, and all costs and expenses incurred by the Association shall become part of the assessment for which such Owner is personally liable and shall become a lien against such Owner's Lot.

Section 5. Party Walls. Each wall built as part of the original construction of the Residential Units which serves and separates any two (2) adjoining Residential Units constitutes a party wall and, to the extent not inconsistent with the provisions of this Section, the general rules of law regarding party walls and liability for property damage due to negligent or willful acts or omissions apply thereto. The cost of repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in equal proportions. If a party wall is destroyed or damaged by fire or other casualty, then any Owner who has benefited by the wall may restore it, and the other Owner who is benefitted by the wall shall contribute one-half (1/2) of the cost of restoration, without prejudice, however, to the right of any Owner to call for a larger contribution from any other Owner under any rule of law regarding liability for negligent or willful acts or omissions. All such repair

or rebuilding shall be done within a reasonable time and in such workmanlike manner with materials comparable to those used in the original wall and shall conform in all respects to the laws or ordinances regulating the construction of buildings in force at the time of such repair or reconstruction. Whenever any such wall or any portion thereof shall be rebuilt, it shall be erected in the same location and on the same line and be of the same size as the original wall.

C. COMMON AREA.

Section 1. Conveyance of Common Area by Declarant to Association; No Implied Rights. Declarant may transfer or convey to the Association, at any time and from time to time, any personal property and any interest in improved or unimproved real property. Such conveyance shall be deemed to be accepted by the Association upon delivery of any personal property or upon recordation of an instrument of conveyance of any interest in real property, and the property shall thereafter be Common Area to be used and, if and as provided in Paragraph B, Section 1 hereof, maintained by the Association for the benefit of its Members. Until the Conversion Date, Declarant may, upon written notice to the Association, require the Association to reconvey to Declarant all or any portion of the Common Area, improved or unimproved, at no charge to Declarant, without a vote of the Members of the Association, if all or a portion of the Common Area is: (a) found by Declarant to have been conveyed in error, (b) needed by Declarant to make adjustments in property boundary lines, or (c) reasonably determined by Declarant to be needed by Declarant due to changes on the overall scheme of development for the Community. The Association hereby constitutes and appoints Declarant as its agent and attorney-in-fact to accept/make on behalf of the Association any such conveyance and reconveyances and to execute on behalf of the Association any and all documents, including, without limitation, deeds, necessary or convenient to effectuate and document any such conveyances and reconveyances, and all acts of such attorney-in-fact are hereby ratified. The power and agency hereby granted are coupled with an interest and are irrevocable by death or otherwise. The Declarant shall not be required to make any improvements whatsoever to property to be conveyed and accepted pursuant to this Section and shall have no duty or obligation to convey any property or property rights to the Association regardless of whether or not any such property has been made available for the use of Owners. The Declarant may reserve, by lease, license, easement, or otherwise such rights of use and enjoyment in and to all or any portion of the property so conveyed as Declarant may reasonably require so long as such reservation is not materially inconsistent with the overall scheme of development for the Community. Neither the recordation of any subdivision plat nor the use by the Owners or maintenance by the Association of any property shall create any rights, easements, or licenses, in the Association or the Owners, express or implied, unless and until any such property rights, easements, or licenses are conveyed by the Declarant to the Association or the Owners, as the case may be, by an instrument recorded in the Office of the Judge of Probate of Lee County, Alabama.

Section 2. Partition. Except as otherwise provided in Section 1 above, the Common Area shall remain undivided and no Owner shall bring any action for partition or division of the whole or any part thereof without the written consent of: (a) all Owners of all portions of the property located within the Community; and (b) all holders of all Mortgages encumbering any portion of the property, including, but not limited to, the Residential Units and Lots.

Section 3. Condemnation. If all or any part of the Common Area shall be taken (or conveyed in lieu of and under the threat of condemnation) by any authority having the power of condemnation

or eminent domain, the award made for such taking shall be payable to the Association. If the taking involves a portion of the Common Area on which improvements have been constructed and the taking occurs prior to the Conversion Date, the Declarant shall have the right, in its sole discretion, to decide whether the Association shall restore or replace such improvements on the remaining Common Area. If the taking involves a portion of the Common Area on which improvements have been constructed and such taking occurs after the Conversion Date, then the Association shall, if possible, restore or replace such improvements so taken on the remaining Common Area unless seventy five percent (75%) of the Members of the Association vote at a meeting duly called not to restore or replace such improvements and, until Buildout, the Declarant likewise agrees not to restore or replace such improvements. If the improvements are to be repaired or restored, the funds received by the Association shall be disbursed in the same manner as funds are disbursed for casualty damage or destruction as provided above. If the taking does not involve any improvements on the Common Area, or if there is a decision made not to repair or restore, or if there are funds remaining after any such restoration or replacement is completed, then such awarded funds or remaking funds shall be deposited to the benefit of the Association.

Section 4. Limitation of Liability. Owners, Occupants, and their guests shall use the Common Area and all portions of the Community not contained within a Lot or Residential Unit, including, without limitation, the Community recreational and mail facilities, if any, at their own risk and assume sole responsibility for their personal belongings used or stored thereon. All Owners and Occupants shall have an affirmative duty and responsibility to inspect the Common Area for any defects, perils, or other unsafe conditions relating to the use and enjoyment thereof. The Association, the Land Owner, the Declarant and their respective officers, directors, employees, representatives, and agents shall not be held liable for: (a) personal injury to any person occurring on the Common Area; or (b) loss or damage to personal property, by theft or otherwise, used or stored on the Common Area or on any other portion of the Community.

In addition to the foregoing, the Association, the Land Owner, the Declarant, and their respective officers, directors, employees, representatives, and agents shall not be liable for any injury or damage to any person or property (a) caused by the elements, (b) resulting from any rain or surface water which may leak or flow from any portion of the Common Area, or (c) caused by the failure of the Association to maintain the Common Area, unless such failure is caused by the willful misconduct or gross negligence of the Association. No diminution or abatement of assessments shall be claimed or allowed by reason of any alleged failure of the Association to take some action or to perform some function required to be taken or performed by the Association under this Declaration, or for the inconvenience or discomfort arising from the making of improvements or repairs which are the responsibility of the Association, or from any action taken by the Association to comply with any law, ordinance or with any order or directive of any municipal or governmental authority, it being acknowledged by each Owner that the obligation to pay assessments pursuant to this Declaration is a separate and independent covenant on the part of each Owner.

D. INSURANCE AND CASUALTY LOSS.

Section 1. Insurance Obtained by Association. The Board of Directors shall have the authority to and shall obtain insurance for all insurable improvements located on the Common Area or required to be maintained by the Association. Insurance obtained and maintained by the Association shall cover loss or damage by fire or other hazards, including extended coverage,

vandalism and malicious mischief and shall be in an amount sufficient to cover the full replacement cost of the insured improvements. Alternatively, the Association may obtain “all risk” coverage in like amounts. Notwithstanding anything to the contrary herein, nothing in this Section 1 shall be construed as obligating the Association to obtain or maintain insurance on a Lot or Residential Unit or an Owner’s or Occupant’s personal property.

The Board of Directors shall obtain a general liability policy applicable to the Common Area covering the Association and its Members for all damage or injury caused by the negligence of the Association or any of its Members or agents, and, if reasonably available, directors’ and officers’ liability insurance. The general liability policy shall have a combined single limit of at least Two Million and NO/100 Dollars (\$2,000,000.00). Policies may contain a reasonable deductible as determined by the Board of Directors.

To the extent that the Right-of-Way Encroachment License Agreement entered into between the City of Opelika, Alabama and John Perry Knight, Jr. remains in effect and enforceable and has not been terminated, the general liability policy maintained by the Association shall be applicable to the “Licensed Area” as defined in the agreement, and the City of Opelika, Alabama must be named as an additional insured.

All such insurance coverage obtained by the Association shall be written in the name of the Association for the benefit of all Owners. All policies shall be written by a company licensed to do business in Alabama, having at least an A- rating as established by A.M. Best Company, Inc. or the most nearly equivalent rating. All casualty insurance policies shall have an inflation guard endorsement and an agreed amount endorsement, if reasonably available. The Board of Directors shall be required to make every reasonable effort to secure insurance policies that provide a waiver of subrogation by the insurer as to any claims against the Board of Directors, the Owners and their respective family, tenants, guests, invitees, licensees, and agents and a waiver of the insurer’s right to cancel without first giving thirty (30) days prior written notice of such cancellation to the Association.

In addition to other insurance required by this Section, the Board shall obtain workers compensation insurance, if and to the extent necessary, and a fidelity policy or bond on officers, directors, employees and other persons handling or responsible for the Association’s funds. The amount of all such coverage shall be determined by the Board of Directors, using its best business judgment.

Premiums for all insurance obtained by the Association shall be a Common Expense of the Association.

Section 2. Insurance Obtained by Owners. By virtue of taking title to a Lot and Residential Unit subject to the terms of this Declaration, each Owner acknowledges that the Association has no obligation to provide insurance for any portion of the Lots or Residential Units and each Owner covenants and agrees with all other Owners and with the Association that each Owner shall obtain and maintain the following: (a) all risk insurance on the Residential Unit, which shall cover loss or damage by fire and other hazards commonly insured under an all-risk policy; (b) liability policy covering damage or injury occurring on a Lot or Residential Unit; and (c) insurance covering an Owner’s or Occupant’s personal property. The policies required hereunder shall be in effect at all times. Upon request by the Board of Directors, an Owner shall furnish a copy of such insurance

policy to the Association. In the event that any Owner fails to obtain insurance as required herein, the Association may purchase such insurance on behalf of the Owner and assess the cost thereof to the Owner.

Section 3. Damage and Destruction.

(a) **In General.** Immediately after the damage or destruction by fire or other casualty of all or any part of the Common Area covered by insurance written in the name of the Association, the Board of Directors shall proceed with the filing and adjustment of all claims arising under such insurance and shall obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction means repairing and restoring the property to substantially the same condition in which it existed prior to the fire or other casualty, allowing for any changes or improvements necessary to comply with applicable building codes.

(b) **Repair and Reconstruction.** Any damage or destruction to the Common Area shall be repaired or reconstructed unless the Declarant and, after the Conversion Date, at least seventy five percent (75%) of the total vote of the Association shall decide within sixty (60) days after the casualty not to repair or reconstruct. If reliable and detailed estimates of the cost of the repair or reconstruction or the amount of insurance proceeds available as a result of such damage or destruction is not available within such sixty (60) day period, then the period shall be extended until such information shall be made available; provided, however, that such extension shall not exceed beyond sixty (60) additional days. No Mortgagee shall have the right to participate in the determination of whether damage or destruction shall be repaired or reconstructed. If the damage or destruction for which the insurance proceeds are paid are not sufficient to defray the cost of the required repair or reconstruction, and if the Board determines that the funds in the capital reserve accounts are not sufficient to cover such insurance deficiency, then the Board of Directors shall, without the necessity of a vote of the Association's Members, levy a special assessment against all Owners, in an equal amount, and such special assessment shall be used to complete the required repair or reconstruction. In the event that it should be determined that the damage or destruction shall not be repaired or reconstructed, and no alternative improvements are authorized, the Common Area affected by such damage or destruction shall be restored to its natural state and maintained as an undeveloped portion of the Common Area.

Section 4. Damage and Destruction – Insured by Owners. The damage or destruction by fire or other casualty to all or any portion of a Residential Unit shall be repaired or reconstructed by the Owner thereof in a manner consistent with the original construction or such other plans and specifications as are approved in accordance with Article VIII of this Declaration. Said repair or reconstruction shall be completed within seventy-five (75) days after such damage or destruction occurred or, where repairs cannot be completed within seventy-five (75) days, such repair or reconstruction shall be completed within a reasonable period of time thereafter. Alternatively, the Owner of the Residential Unit may elect to demolish all improvements on the Lot and remove all debris and ruins therefrom within seventy-five (75) days after such damage or destruction occurred and thereafter maintain the Lot in a neat and attractive, landscaped condition consistent with the Community-Wide Standard and this Declaration. The Owner shall pay all costs which are not covered by insurance proceeds.

ARTICLE VI

ANNEXATION OF ADDITIONAL PROPERTY

Section 1. Unilateral Annexation by Declarant. As the owner thereof or, if not the owner, with the written consent of the owner thereof, Declarant shall have the unilateral right, privilege and option from time to time until the Conversion Date to subject other property owned by the Declarant (hereinafter "Additional Property") to the provisions of this Declaration and the jurisdiction of the Association by filing of record an amendment to this Declaration describing the Additional Property being annexed. Any such annexation shall be effective upon the filing of record of such amendment to the Declaration, unless otherwise provided therein. Any property so annexed into the Community shall thereafter be a part of the Property for all purposes under this Declaration. The Declarant may unilaterally amend this Declaration to reflect the different character of any Additional Property so annexed. The rights reserved unto Declarant to subject Additional Property to this Declaration shall not impose any obligation upon Declarant to subject any Additional Property to this Declaration or to the jurisdiction of the Association.

Section 2. Other Annexation. Subject to the consent of the owner thereof and, until the Conversion Date has occurred, with the consent of the Declarant, upon the affirmative vote or written consent of Members representing a Majority of the Total Association Vote, the Association may annex real property to the provisions of this Declaration to become a part of the Common Area and the jurisdiction of the Association by filing of record an amendment to the Declaration describing the property being annexed. Any such amendment to the Declaration shall be signed by the president and the secretary of the Association, and any such annexation shall be effective upon the filing of record of such amendment to the Declaration, unless otherwise provided therein.

Section 3. Withdrawal of Property. So long as the Conversion Date has not yet occurred, Declarant reserves the right to amend this Declaration unilaterally at any time, without prior notice and without the consent or joinder of any Person, for the purpose of removing certain portions of the Property then owned by the Declarant or its affiliates or the Association from the provisions of this Declaration to the extent originally included in error or as a result of any changes whatsoever in the plans for the Community desired to be effected by the Declarant, provided such withdrawal is not unequivocally contrary to the overall, uniform scheme of development for the Community.

ARTICLE VII

ASSESSMENTS

Section 1. Purpose of Assessment. The assessments provided for herein shall be used for the general purpose of promoting the recreation, health, safety, welfare, common benefit and enjoyment of the Owners and Occupants of Lots in the Community, including the maintenance of real and personal property all as may be specifically authorized from time to time hereunder and by the Board of Directors.

Section 2. Creation of Lien and Personal Obligation for Assessments. Each Owner of a Lot, by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association, in accordance with the provisions hereof, from and after the commencement date established in Section 10, below, (a) general assessments; (b) special assessments established as herein provided; (c) specific assessments against any particular Lot established pursuant to the terms of this Declaration; and (d) transfer assessments imposed in

accordance with this Declaration. All such assessments, together with late charges, simple interest at the rate of eighteen percent (18%) per annum, costs of collection and reasonable attorney's fees actually incurred in an amount not less than fifteen percent (15%) of the assessments and interest due and owing, shall be a charge on and a continuing lien against each Lot against which each assessment is made. Each such assessment, together with the late fees, interests, court costs and attorney's fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time the assessment became due and his grantee shall be jointly and severally liable for such portion thereof as may be due and payable at the time of conveyance; provided, however, any First Mortgagee who obtains title to a Lot pursuant to the remedies provided in a First Mortgage will not be liable for any unpaid assessments which accrued prior to the acquisition of title to the Lot by the Mortgagee. Assessments shall be paid in such manner and on such dates as may be fixed by the Board of Directors which may include, without limitation, acceleration of the annual assessment for Owners who are delinquent in the payment of such assessments. Unless otherwise provided by the Board, assessments shall be paid in annual installments.

Section 3. Computation of General Assessments. It shall be the duty of the Board to prepare a budget covering the estimated cost of operating the Association during the coming year. The budget may include a capital reserve contribution in accordance with a capital budget that may be separately prepared by the Board. The Board shall cause a copy of the budget and the general assessment to be levied therefrom to be mailed to each Member at least thirty (30) days prior to the date on which the budget will become effective. The budget and general assessment established therefrom shall be and become effective unless a written statement of disapproval executed by Members representing at least a Majority of the Total Association Vote is delivered to the Board no later than seven (7) days prior to the effective date of the proposed budget. In the event that the membership disapproves the proposed budget, or the Board fails for any reason to so determine the budget for the succeeding year, then and until such time as a budget shall have been determined, the budget and assessments in effect for the current year shall continue for the succeeding year.

Section 4. Special Assessments. In addition to other assessments authorized herein, the Board may in its discretion levy special assessments in any year for the purpose of paying the costs of unexpected maintenance, repairs or replacement of the Common Area, the costs and expenses incurred incident to the provision of sewer, water, or trash services, or the cost of other unanticipated expenses, needs or obligations of the Association incurred or projected to be incurred in the performance of its obligations in this Declaration. No membership vote shall be necessary prior to the imposition of a special assessment; provided that until the Conversion Date has occurred, no special assessment may be adopted without the consent of the Declarant.

Section 5. Specific Assessments. The Board shall have the power to specifically assess pursuant to this Section as it shall deem appropriate. Failure of the Board to exercise its authority under this Section shall not be grounds for any action against the Association or the Board and shall not constitute a waiver of the Board's right to exercise its authority under this Section in the future. The Board may specifically assess Lots for the following Association expenses, except for expenses incurred for the maintenance and repair of items which are the maintenance responsibility of the Association as provided herein:

(a) any Common Expense benefiting less than all of the Lots shall be specifically assessed equitably among the Lots so benefited, as determined by the Board of Directors;

(b) any Common Expenses occasioned by the conduct of less than all of the Owners or their family, guests, tenants, licensees, or invitees shall be specially assessed against the Owner of such Lots whose conduct, or the conduct of such Owners' family, guests, tenants, licensees, or invitees, occasioned any such Common Expenses; or

(c) any Common Expenses significantly disproportionately benefiting all of the Lots shall be assessed equitably among all of the Lots in the Community as determined by the Board of Directors.

Section 6. Transfer Assessments. Upon each and every transfer or conveyance of a Lot upon which a Residential Unit has been constructed, the transferee or grantee becoming the Owner of the Lot at each such conveyance shall be obligated to pay to the Association, in addition to all other assessments levied under this Declaration, simultaneously upon such conveyance a nonrefundable assessment in the amount equal to the then current annual assessment (hereinafter the "Transfer Assessment"). All Transfer Assessments collected by the Association shall be deposited by the Association in a capital reserve account which shall be for the purpose of funding capital costs required to repair or replace improvements which are a part of the Common Area or to personal property deemed reasonably necessary by the Board of Directors. Notwithstanding anything in this Section 6 to the contrary, the Transfer Assessment shall not apply to the sale of a Lot to a relocation company that resells the same Lot within six (6) months from the date of its acquisition of the Lot or to any transfer of a Lot by the Owner thereof to his or her spouse or children for estate planning purposes, both exceptions being subject to review and approval by the Board of Directors in its sole and exclusive discretion.

Section 7. Foreclosure Administration Fee. It is recognized that foreclosures of mortgages on Lots create substantial administrative and other burdens on the Association. These additional burdens on the Association include, but are not limited to, having to monitor the status of mortgages and legal periodicals to determine when foreclosures occur, searching the Lee County, Alabama land records to determine the names of the purchasers at foreclosure sales, contacting the foreclosure purchasers/owners regarding foreclosure-purchaser responsibilities and assessment obligations and updating Association records multiple times to deal with just a single Lot. Pursuant to this Declaration, the Association is authorized to assess individual Owners certain fees and expenses occasioned by and benefiting just those Owners or those Owners' Lots. In accordance with these provisions, and in addition to annual assessments, special assessments, and other charges provided for in this Declaration, any Person who acquires a Lot at a foreclosure sale of the mortgage on such Lot, or by deed in lieu of a foreclosure, will be required to pay the Association a Foreclosure Administration Fee in the amount equal to the then current annual assessment of the Association at the time the foreclosure deed or deed in lieu of foreclosure is recorded in the Lee County, Alabama records. The Foreclosure Administration Fee shall constitute a specific assessment as described in this Declaration.

Section 8. Lien for Assessments. All assessments assessed against any Lot pursuant to this Declaration, together with late charges, interests, costs and attorney's fees as provided herein, shall be secured by a lien on such Lot in favor of the Association. Such lien shall be superior to all other liens and encumbrances except for the lien for ad valorem taxes, the lien of any First Mortgage covering the Lot, and the lien of any Mortgage recorded prior to the recording of this Declaration. The recording of this Declaration shall constitute record notice of the existence of the lien and the

priority of the lien. All Persons acquiring liens or encumbrances after this Declaration shall have been recorded shall be deemed to consent that such liens and encumbrances, except as otherwise provided herein, shall be inferior to the lien created by this Declaration.

Section 9. Nonpayment of Assessments. Any assessment levied pursuant to this Declaration which is not paid within ten (10) days after it is due shall be delinquent and shall also include a late charge established by the Board of Directors, shall accrue simple interest at the rate of eighteen percent (18%) per annum, and shall include all costs of collection including reasonable attorney's fees in an amount not less than fifteen percent (15%) of the principal and interest due. Not less than thirty (30) days after notice is sent by certified mail, return receipt requested, to the delinquent Owner at the address of the Lot, or at such other address designated in writing by such Owner, the lien in favor of the Association may be foreclosed by the Association by suit, judgment and foreclosure in the same manner as other liens for the improvement of real property. The notice shall specify the amount of the assessment then due and payable together with all late charges, interest and costs of collection, including attorney's fees. The Association shall have the power to bid on the Lot at any foreclosure sale and to acquire, hold, lease, encumber and convey such Lot.

Except as stated herein, no Owner may waive or otherwise exempt himself or itself from liability for the assessments provided herein, including, but not limited to, non-use of the Common Areas or abandonment of a Lot. No diminution or abatement of any assessment or setoff shall be claimed or allowed by reason of any failure of the Association or the Board to take some action or perform some function required to be taken or performed by the Association or the Board hereunder, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken to comply with any law, ordinance or with any order or directive of any governmental authority, it being acknowledged that the obligation to pay assessments is a separate and independent covenant on the part of each Owner.

Section 10. Commencement of Assessments. All assessments shall commence as to a Lot after the recording of the plat depicting such Lot; provided that Lots owned by Land Owner, the Declarant or a Builder shall not be subject to any assessments unless and until (i) a Residential Unit is constructed on the Lot owned by Land Owner, the Declarant or a Builder and such Residential Unit is occupied, or (ii) title to the Lot is transferred to a Person other than Land Owner, the Declarant or a Builder. Until the Conversion Date, the Declarant may, but shall not be obligated to, pay in cash or in kind the difference between the amount of general assessment assessed on all Lots each fiscal year and the amount of actual expenditures required to operate the Association during each fiscal year, exclusive of any capital reserve contributions ("Budget Shortfall"). Declarant shall also have the right, but not the obligation, to fund the Budget Shortfall in the form of a loan to the Association on terms determined by the Declarant in its sole discretion which shall be documented in the form of a promissory note signed by the Association in favor of Declarant.

Section 11. Fiscal Year. The fiscal year of the Association shall begin on January 1 of each year and shall end on December 31 of the same year.

ARTICLE VIII

ARCHITECTURAL STANDARDS

Section 1. Creation of Design Review Board. There shall be established and maintained a Design Review Board (“DRB”) consisting of at least three (3) and not more than five (5) members, who need not be Members of the Association. Until the Conversion Date, Declarant shall appoint each member of the DRB and all members of the DRB may be removed by the Declarant with or without cause. After the Conversion Date, the Board shall have the exclusive right and authority at any time, and from time to time, to appoint and remove members of the DRB with or without cause.

Section 2. Function of DRB. No Improvements shall be erected, constructed, placed, altered, remodeled, maintained or permitted to remain on any portion of the Property, including on any Lot, until plans and specifications, in such form and detail as the DRB may deem necessary, shall have been submitted to the DRB and approved by it in writing, unless such Improvement is developed, constructed or altered by Declarant, affiliates of Declarant or a Builder in which case the Declarant must approve such Improvement. The DRB shall have the authority to select and employ professional consultants to assist it in discharging its duties and the cost of such consultants shall be paid by the Owner of any Lot for which plans and specifications have been submitted for approval prior to such plans and specifications being considered for approval by the DRB.

Section 3. Modifications Committee. The Declarant may, but shall not be obligated to, form a modifications committee of not less than three (3) nor more than five (5) members (hereinafter “Modifications Committee”), who shall be Members of the Association or their spouses. The Modifications Committee shall have the authority of the DRB, and the DRB shall relinquish such authority, concerning the erection, construction, placement, alteration, remodeling, or maintenance of any Improvement on any Lot owned by Persons other than Declarant, affiliates of Declarant or Builders. Declarant shall evidence the formation of a Modifications Committee by filing of record with the Office of the Judge of Probate of Lee County, Alabama a written notice that a Modifications Committee for the Association has been formed. The Modifications Committee shall be governed by and shall act consistent with all of the rights, obligations, terms, provisions and guidelines concerning and applicable to the DRB set forth in this Article. After the Conversion Date, the Modifications Committee shall automatically terminate and cease to exist, and all of the rights and powers granted to the Modifications Committee hereunder shall automatically revert back to the DRB.

Section 4. Plans and Specifications.

(a) The DRB shall have the right to approve or disapprove any submitted plans or specifications that are not in compliance with this Declaration, if they are incomplete or if the DRB reasonably determines that such plans and specifications are not consistent with the Community-Wide Standards considering among other things, the following: (i) architectural character and nature, shape, color, size, material, location and kind of all proposed Improvements, taking in consideration the aesthetic quality of any Residential Unit with respect to height, form, proportion, volume, siting and exterior materials; (ii) adequacy of lot dimensions for proposed Improvements; (iii) conformity and harmony of exterior design with neighboring Lots and Improvements; (iv) relation of topography, grade and finished ground elevations to that of neighboring Lots and Improvements; (v) screening of mechanical and other installations; (vi) functional appropriateness

with respect to vehicle handling, siting of buildings (both in relationship to one another and in relationship to buildings, existing or proposed, located on other Lots), drainage, utility service systems and lighting; (vii) extent and quality of landscaped areas; or (viii) compliance with the Community-Wide Standard.

(b) Prior to the commencement of construction of Improvements on any Lot, the Owner of such Lot shall submit detailed information in writing regarding the proposed Improvements including site plans and two (2) full sets of final construction drawings and specifications (which shall be sealed and certified by duly licensed architect or engineer if so required by the DRB (hereinafter the “Plans”) showing or stating all aspects of the proposed Improvements including but not limited to the following: (i) location of all structures, street rights-of-way and setback lines; (ii) location of all walks, driveways and curve lines; (iii) all landscaping, including location, height, spread, type and number of trees and shrubs and location and type of all ground cover and material, and existing trees and limits of clearing and grading; (iv) location, height, intensity and fixture type of all exterior lighting; (v) location, size and type of all fencing; (vi) architectural floor plans, elevation, wall sections and details of the Residential Unit; (vii) building material and color information, including samples if requested; and (viii) size and square footage and height of the Residential Units and all other Improvements.

(c) Should the DRB fail either to approve or disapprove the Plans within thirty (30) days after submission in accordance with the terms of this Declaration, it shall be conclusively presumed that the DRB has approved the Plans to the extent the Plans do not directly contradict this Declaration or any published Design Guidelines. Approval of any Plans with regard to a Lot shall not be deemed to be a waiver of the DRB’s right, in its discretion, to disapprove similar plans and specifications, or any features or elements included therein, for any other Lot.

(d) If construction has not commenced within one (1) year from the date the Plans are approved, then the approval given pursuant to this Article shall be deemed to be automatically revoked by the DRB, unless the DRB extends the time for commencing construction. In any event, all work covered by such approval shall be completed within three (3) months of the commencement thereof, except for such period of time as completion is rendered impossible or would result in great hardship due to strikes, fires, national emergencies, critical material shortages or other intervening forces beyond the control of the Owner, unless the DRB extends the time for completion.

Section 5. Release of Liability. Plans and specifications are not approved for engineering or structural design or quality of materials, and by approving such plans and specifications neither the DRB, the members thereof, nor the Association assumes liability or responsibility therefor. Each Owner hereby releases the Declarant, the Association, the Board of Directors, and the DRB and the Modifications Committee, if and when formed, from any and all liability for (i) any defects in any plans and specifications submitted, revised or approved pursuant to the terms of this Declaration, (ii) any loss or damage to any Person arising out of the approval or disapproval of any such plans and specifications, (iii) any loss or damage arising from the noncompliance with such plans and specifications or any governmental ordinance or regulation, or (iv) any defects in construction undertaken pursuant to such plans and specifications, regardless of whether such claim arises by reason of mistake in judgment, negligence or nonfeasance by the DRB.

Section 6. Compliance with Law. All Improvements, including Residential Units, constructed, erected, placed, altered, remodeled, maintained or permitted on any Lot shall comply with any and all applicable federal, state, county and municipal zoning and building restrictions, including, but not limited to, grading, clearing, construction of impervious surfaces, building and other construction rules and regulations.

Section 7. Inspection. The DRB, or its designee, shall have the right during reasonable business hours to enter upon and inspect any Lot or Improvement under construction to determine whether the approved Plans are being followed or adhered to. If the DRB shall determine that such Plans have not been approved or that the Plans are not being followed or adhered to, the DRB may in its discretion give the Owner of such Lot written notice of such violation. If such violation is not corrected, the Board of Directors shall have the right to enjoin further construction and/or require the removal or correction of any work in place that does not comply with the approved Plans or this Declaration and to take such other action as may be allowed under this Declaration, the Bylaws or under applicable law.

Section 8. Interior Alterations. Notwithstanding anything to the contrary herein, an Owner may make any alterations or improvements to the interior of a residential dwelling on his or her Residential Unit if such alteration or improvement is not visible from the exterior of the Residential Unit and does not adversely affect any party wall shared with another Residential Unit. To the extent that any alterations or improvements to the interior of a Residential Unit on a Lot would be visible from the exterior of the Residential Unit or would adversely affect a party wall shared with another Residential Unit, Owner shall submit plans and specifications therefor to the DRB and obtain written consent from the DRB pursuant to this Article prior to commencing such work.

ARTICLE IX

MORTGAGEE PROVISIONS

The following provisions are for the benefit of the holders of First Mortgages on Lots in the Community. To the extent applicable, necessary or proper, the provisions of this Article shall apply to both this Declaration and to the Bylaws.

Section 1. Notice of Action. An institutional holder, insurer or guarantor of a First Mortgage who provides a written request to the Association (such request to state the name and address of such holder, insurer or guarantor and identity specifically the Lot encumbered by the First Mortgage, thereby becoming an “eligible holder”) will be entitled to timely written notice of: (a) any condemnation loss or casualty loss which affects a material portion of the Community or which affects a portion of the Lot on which there is a First Mortgage held, insured or guaranteed by such eligible holder; any delinquency in the payment of assessments or charges owed by an Owner of a Lot subject to the First Mortgage of the eligible holder, where such delinquency has continued for a period of sixty (60) days; provided, however, notwithstanding this provision, the Association may, without request from such eligible holder, provide notice of such delinquency to such First Mortgage; (c) any lapse, cancellation or material modification of any insurance policy maintained by the Association; or (d) any proposed action which would require the consent of a specified percentage of eligible holders.

Section 2. **No Priority.** No provision of this Declaration or the Bylaws gives or shall be construed as giving any Owner or any other Person a priority over any rights of the First Mortgagee on a Lot in the case of distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Area.

Section 3. **Notices to Association.** Upon request, each Owner shall be obligated to furnish the Association with the name and address of the holder of any Mortgage encumbering such Owner's Lot.

Section 4. **Failure of Mortgagee to Respond.** Any Mortgagee who receives a written request from the Board to respond or consent to any action shall be deemed to have approved such action if the Association does not receive a written response from the Mortgagee within thirty (30) days after the date of the Association's request.

ARTICLE X

USE RESTRICTIONS

Section 1. **General.** This Article sets out certain use restrictions which must be complied with by all Owners and their respective families, tenants, guests, licensees and invitees and which shall govern use of Lots and Residential Unit. Section 3. **Gardens.** No gardens other than decorative landscape beds installed by a Builder or approved in writing by the DRB may be planted or maintained on any Lot.

No deck, patio, or porch shall be enclosed without the prior written approval of the DRB. The use of grills and other like equipment, including, without limitation, smokers, shall only

be permitted in accordance with applicable municipal, county, and state ordinances and laws and fire codes. No outdoor grills are permitted to be used indoors.

Notwithstanding the foregoing, the Owner of each Lot may place one "For Sale" or "For Rent" sign on his Lot; provided, however, the Board of Directors has the right to regulate the size and design of the sign to ensure consistency with the Community-Wide Standard. Declarant hereby reserves the right to construct and maintain such signs, billboards and advertising devices as is determined by Declarant to be necessary in connection with the development, marketing and sale of Lots in the Community.

Section 8. Nuisance. It shall be the responsibility of each Owner and occupant of a Lot to prevent the development of any unclean, unhealthy, unsightly or unkempt condition on his Lot. No Lot shall be used, in whole or in part, for the storage of any property or thing which will cause such property to appear to be in an unclean or untidy condition or that will be obnoxious to the eye, nor shall any substance, thing or material be kept that will emit foul or obnoxious odors or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort or serenity of the Owners and occupants of surrounding Lots. No obnoxious or offensive activity shall be carried on within the Community, nor shall anything be done tending to cause embarrassment, discomfort, annoyance or nuisance to any Person on any Lot or the Common Area. Without limiting the generality of the foregoing, no horn, speaker, whistle, siren, bell, amplifier or other sound device, except such devices as may be used exclusively for security purposes and stereo speakers, shall be located, installed or maintained upon the exterior of any Residential Unit. Any siren or device for security purposes shall contain a device which causes it to automatically shutoff within a reasonable time after sounding.

The Board of Directors shall have the right to adopt reasonable Rules and Regulations governing animals and pets kept by Owners of Lots in the Community, including the right to prohibit animals of a certain size, weight or type. No structure for the care, housing or confinement of any pet or animal shall be constructed or maintained on any part of the Common Area, and any such structures maintained on a Lot must be approved by the DRB pursuant to Article VIII of this Declaration. No pet or animal shall be permitted to leave its excrement on any portion of the Common Area or on any Lot not owned by the Owner of the animal or pet

and the Owner of such animal or pet shall immediately remove such excrement. Excrement on a pet owner's Lot must be removed on a regular basis to prevent unsanitary conditions and a negative impact to neighboring Lots. In the event an animal or pet is deemed by the Board of Directors to be a nuisance or to be kept in violation of this Declaration, the Board of Directors shall have the right to require the Owner of such animal or pet to remove such animal or pet from the Community. The animal control authority shall be permitted to enter the Community to patrol and remove all pets and animals which are in violation of such animal control regulations or this Declaration. All animals and pets shall be registered, licensed and inoculated as required by law.

Section 10. **Garbage Cans, Wood Piles, Etc.** All garbage cans, wood piles, and related equipment and other similar items shall be located or screened so as to be concealed from view from the streets in front of each Lot and shall be located in the rear of each Residential Unit. Trash, garbage or other rubbish shall be kept in sanitary containers with covers or lids, which sanitary containers shall be removed from the front of each Lot promptly after pickup by the local garbage service. Exterior clotheslines are expressly prohibited on any Lot. The Land Owner and Declarant expressly reserve the right to allow Builders to dump, bury and/or burn construction debris and trees on any Lot as needed for efficient construction; otherwise, no dumping or burning of debris or trees is permitted on any Lot.

The Board of Directors shall have the right to adopt reasonable Rules and Regulations concerning seasonal decorative lights.

Section 12. **Sight Distance at Intersections.** All Lots located at any street intersection shall be landscaped so as to permit safe sight across the street corners. No fence, wall, hedge, shrub, or landscape planting shall be placed or permitted to remain at any corner of a Lot located at any street intersection where, in the opinion of the Board of Directors, the condition would create a traffic or sight problem for vehicles or persons entering or traveling upon these streets.

All automobiles, vans, trucks, and other vehicles belonging to an Owner or occupant of a Residential Unit or the guests of an Owner or occupant of a Residential Unit shall be parked within the parking spaces designated for the

Residential Unit of said Owner or occupant, and not within the parking spaces designated for any other Residential Unit or on the Common Area.

No automobiles and other transportation vehicles or devices which are either dismantled, partially dismantled, inoperative, discarded or which do not have a valid license plates attached thereto may be kept in the Community. No Owner or occupant of any Lot shall repair or restore any automobile or other transportation vehicle or device of any kind upon a Lot, except to the extent necessary to enable its movement in the event of an emergency repair.

If any vehicle is parked on any portion of the Community in violation of this Section or in violation of the Rules and Regulations, the Board or agent of the Association may cause the vehicle to be towed or booted, subject to compliance with applicable law, including any notice required thereby. The notice may be a general notice by signage or may be placed on the vehicle, if and as allowed under applicable law, as the case may be. If a vehicle is parked in a fire lane, is blocking another vehicle, is obstructing the flow of traffic, is parked on any landscaped area or otherwise creates a hazardous condition, the Board or agent of the Association may have the vehicle towed immediately, subject to compliance with applicable law. If a vehicle is towed or booted in accordance with this provision and applicable law, neither the Association nor any office or agent of the Association shall be liable to any person for any claim of damage as a result of the towing or booting activity. Notwithstanding anything to the contrary herein, the Board may elect to impose fines or use other available sanctions, rather than exercise its authority to tow or boot.

Notwithstanding anything to the contrary herein, the Land Owner and the Declarant and its respective agents, subcontractors, and assigns shall have the right, during regular business hours, to park vehicles on any and all streets within the Community as needed in order to facilitate the construction, development, maintenance, and build out of the Community.

Owners shall install any permitted antennas on the rear of the Residential Unit unless such installation: (x) imposes unreasonable delay or prevents the use of the antennas; (y) unreasonably increases the cost of installation; or (z) an acceptable quality signal cannot otherwise be obtained.

Section 17. Firearms. The use of firearms within the Community is strictly prohibited. The term “firearms” includes B.B. guns, pellet guns, and firearms of all types, regardless of size, power or gauge.

Section 18. Drainage. Natural drainage of streets, Residential Units, Lots or driveways of Lots shall not be impaired by any Owner. No Owner shall obstruct or re-channel the drainage flow of

water after location and installation of catch basins, berms, drainage areas, drainage swales, storm sewer or storm drain systems.

Section 19. **Unsightly or Unkempt Conditions.** It shall be the responsibility of each Owner to prevent any unclean, unhealthy, unsightly or unkempt condition from existing on or within his Lot and Residential Unit. Any item such as outside patio furniture or other articles that can be viewed from the streets within the Community, Common Area, or other Lots shall be maintained in a neat and attractive condition as determined by the Board. The pursuit of hobbies or other activities, including, but not limited to, assembly, disassembly and repair of motor vehicles or other mechanical devices, which might tend to cause disorderly, unsightly or unkempt conditions shall not be pursued or undertaken on any part of the Community.

Section 20. **Fences.** No fence may be installed or constructed on any Lot without the prior written approval of the DRB in accordance with Article VIII above.

Section 21. **Artificial Vegetation, Exterior Sculpture and Similar Items.** No artificial vegetation shall be permitted in the Community except within a Residential Unit. Exterior sculptures, fountains, flags and similar items must be approved by the DRB in accordance with Article VIII, above.

Section 22. **Tree Removal.** No trees shall be removed from any Lot without the prior written consent of the DRB, except for diseased or dead trees, trees requiring removal to promote the growth of other trees or for safety reasons.

Section 23. **Heating of Units in Colder Months.** In order to prevent water pipes from breaking during colder months of the year resulting in damage to Residential Units, the thermostats within all Residential Units shall be maintained with the heat operating at a minimum of fifty (50) degrees Fahrenheit when the temperature is forecasted to or does reach thirty-two (32) degrees Fahrenheit or below. Owners shall take all steps possible on a timely basis to keep heating equipment, including, but not limited to, the thermostat, in good working order and repair. If the heating equipment is not working, the Owner shall take reasonable steps to keep the Residential Unit heated sufficiently to prevent water pipes from breaking until such time as the heating equipment is repaired.

Section 24. **Impairment of Units and Easements.** No Owner shall take any action that will impair the structural soundness of any Lot or dwelling or other Improvement thereon, or any easement or other interest in real property, nor allow any condition to exist which will materially and/or adversely affect the Common Area, the other Lot, or their Owners or Occupants.

Section 25. **Exteriors.** Any change to the exterior color of any Improvement located on a Lot, including, without limitation, the dwelling, must be approved by the DRB.

Section 26. **Air Conditioning Units.** Except as may be permitted by the DRB, no window air-conditioning units may be installed.

ARTICLE XI

LEASING

Section 1. General. The leasing of Lots shall be governed by the restrictions imposed by this Article. Lots may be leased for residential purposes only.

Section 2. Leasing Provisions. Leasing that is authorized pursuant to hereunder shall be governed by the following provisions:

(a) Notice. At least seven (7) days prior to entering into the lease of a Residential Unit, the Owner shall provide the Board with a copy of the proposed lease agreement. The Board shall approve or disapprove the form of said lease. In the event a lease is disapproved, the Board shall notify the Owner of the requisite action to be taken in order to bring the lease in compliance with this Declaration and any rules and regulations adopted pursuant thereto.

(b) General.

(i) Residential Units may be leased only in their entirety; no fraction or portion may be leased without prior written Board approval.

(ii) All leases shall be in writing and in a form approved by the Board prior to the effective date of the lease. The Board may maintain and, upon request, provide a form that is deemed acceptable.

(iii) There shall be no subleasing of Residential Unit or assignment of leases without prior written Board approval.

(iv) All Leases must be for an initial term of not less than one (1) year, except with written Board approval, which shall not be unreasonably withheld in cases of undue hardship.

(v) Within ten (10) days after executing a lease agreement for the lease of a Residential Unit, the Owner shall provide the Board with a copy of the lease and the name of the lessee and all other people occupying the Residential Unit.

(vi) The Owner must provide at Owner's sole expense the lessee copies of this Declaration, Bylaws, and the rules and regulations.

(vii) Nothing herein shall be construed as giving the Association the right to approve or disapprove a proposed lessee; the Board's approval or disapproval shall be limited to the form of the proposed lease.

(c) Compliance with Declaration, Bylaws, and Rules and Regulations. The lessee shall comply with all provisions of this Declaration, Bylaws, and rules and regulations adopted pursuant thereto and shall control the conduct of all other occupants and guests of the leased Residential Unit in order to ensure such compliance. The Owner shall cause all occupants of his, her or its Residential Unit to comply with this Declaration, Bylaws, and the rules and regulations adopted pursuant thereto, and shall be responsible for all violations by such occupants, notwithstanding the fact that such occupants of the Residential Unit are fully liable and may be sanctioned for any such violation. If the lessee, or a Person living with the lessee, violates this Declaration, Bylaws, or a rule or regulation for which a fine is imposed, notice of the violation

shall be given to the Owner and the lessee, and such fine may be assessed against the lessee in. If the fine is not paid by the lessee within the time period set by the Board, the Owner shall pay the fine upon notice from the Association of the lessee's failure to pay the fine. Unpaid fines shall constitute a lien against the Residential Unit.

Any violation of this Declaration, Bylaws, or rules and regulations adopted pursuant thereto by the lessee, any occupant, or any guest of lessee, is deemed to be a default under the terms of the lease and authorizes the Owner to terminate the lease without liability and to evict the lessee in accordance with Alabama law. The Owner hereby delegates and assigns to the Association, acting through the Board, the power and authority of enforcement against the lessee for breaches resulting from the violation of this Declaration, Bylaws, and the rules and regulations adopted pursuant thereto, including the power and authority to evict the lessee as attorney in fact on behalf and for the benefit of the Owner, in accordance with the terms hereof. If the Association proceeds to evict the lessee, any costs, including reasonable attorney's fees actually incurred and court costs associated with the eviction shall be an assessment and lien against the Residential Unit.

(d) Use of Common Area. The Owner transfers and assigns to the lessee, for the term of the lease, any and all rights and privileges that the Owner has to use the Common Area, including but not limited to, the use of any and all recreational facilities and other amenities.

(e) Liability for Assessments. When an Owner who is leasing his, her, or its Residential Unit fails to pay any annual or special assessment or any other charge for a period of more than thirty (30) days after it is due and payable, then the delinquent Owner hereby consents to the assignment of any rent received from the lessee during the period of delinquency, and, upon request by the Board, lessee shall pay to the Association all unpaid annual and special assessments and other charges payable during and prior to the term of the lease and any other period of occupancy by lessee. However, lessee need not make such payments to the Association in excess of or prior to the due dates for monthly rental payments unpaid at the time of the Board's request. All such payments made by lessee shall reduce, by the same amount, lessee's obligation to make monthly rental payments to lessor. If lessee fails to comply with the Board's request to pay assessments or other charges, lessee shall pay to the Association all amounts authorized under this Declaration as if lessee were an Owner. The above provision shall not be construed to release the Owner from any obligation, including the obligation for assessments, for which he or she would otherwise be responsible.

(f) Required Lease Provisions. Any lease of a Residential Unit shall be required to contain or incorporate by reference the terms set forth in subparagraphs (c), (d), and (e) above. If such language is not expressly contained or incorporated by reference therein, then such language shall be incorporated into the lease by the existence of this covenant, and the tenant, by occupancy of the Residential Unit, agrees to the applicability of this covenant and incorporation of the above-referenced language into the lease.

ARTICLE XII

GENERAL PROVISIONS

Section 1. **Enforcement.** Every Owner and every occupant of any Lot, and their respective families, guests, invitees, licensees, successors and assigns, shall comply with this Declaration, the Bylaws and the Rules and Regulations of the Association, as they now exist and may be amended from time to time. Except as otherwise provided herein, the Association shall send written notice of any violation to the violating Owner, who shall have ten (10) days from the date of the notice (in the event of an emergency, as determined by the Board of Directors, only reasonable notice is required) to correct and cure the violation and comply with this Declaration, the Bylaws or the Rules and Regulations. Any lack of such compliance shall entitle the Board of Directors to impose and assess fines and other sanctions against the Owner of the Lot, which shall be collected as provided herein for the collection of assessments. Furthermore, any lack of such compliance shall authorize the Board of Directors to temporarily suspend voting rights and the rights of use of the Common Areas; provided, however, no such suspension shall deny an Owner or any occupant of a Lot access to the Lot owned or occupied. Additionally, any lack of such compliance shall authorize the Board of Directors to institute legal action against the Owner and occupant of a Lot to recover damages as a result of such party's action or for injunctive relief, or both, which action shall be maintainable by the Board of Directors on behalf of the Association or, in a proper case, by any aggrieved Owner. Failure by the Board of Directors or any Owner to enforce any of the foregoing shall in no event be deemed a waiver of the right to do so thereafter. The Board of Directors shall have the right to record in the appropriate land records a notice of violation of the Declaration, the Bylaws, or the Rules and Regulations, and assess the cost of the recording and removing of such notice against the Owner responsible for the violation of such documents.

Section 2. **Self-Help.** In addition to any other remedies provided for herein, the Board or its duly authorized agent shall have the power to enter upon any portion of the Property including Lots and Residential Units, to abate or remove, using such force as may be reasonably necessary, any Improvement, thing or condition which violates this Declaration, the Bylaws, or the Rules and Regulations. The Board shall give the violating Owner ten (10) days written notice of its intent to exercise self-help (except in the event of an emergency, as determined by the Board of Directors in which event only reasonable notice is required). All costs of self-help, including reasonable attorney's fees actually incurred, shall be assessed against the violating Owner and shall be collected as proved for herein for the collection of assessments.

Section 3. **Duration.** The provisions of this Declaration shall run with and bind the Property and shall be and remain in effect for a period of twenty (20) years after the date that the Declaration is recorded, after which time this Declaration shall be automatically extended for successive periods of twenty (20) years, unless such extension is disapproved in writing by Members representing greater than a Majority of the Total Association Vote. A written instrument reflecting such disapproval, if disapproved, must be recorded within the year immediately preceding the beginning of each twenty (20) year renewal period. Every purchaser or grantee of any interest in the Property subject to this Declaration, by acceptance of a deed or other conveyance therefore, hereby agrees that such provisions of this Declaration may be extended and renewed as provided in this Section.

Section 4. **Amendment.** This Declaration may be amended unilaterally at any time and from time to time by Declarant after Land Owner has conveyed the Property to Declarant (a) if such amendment is necessary to bring any provision hereof into compliance with any applicable governmental statute, rule, or regulation or judicial determination which shall be in conflict therewith; (b) if such amendment is necessary to enable any reputable title insurance company to

issue title insurance coverage with respect to any portion of the Property subject to this Declaration; (c) if such amendment is required by an institutional or governmental lender or purchaser of Mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase mortgage loans on any portion of the Property subject to this Declaration; or (d) if such amendment is necessary to enable any governmental agency or reputable private insurance company to insure mortgage loans on any portion of the Property subject to this Declaration; provided, however, any such amendment shall not adversely affect the title to any Owner's Lot unless any such Owner shall consent thereto in writing. Prior to Land Owner conveying the Property to Declarant, Declarant may amend this Declaration only with the written consent of the Land Owner. Further, until the Conversion Date, Declarant may unilaterally amend this Declaration for any other purpose; provided, however, any such amendment shall not materially and adversely affect the substantive rights of any Owner hereunder, nor shall it adversely affect title to the Lot of any Owner without the consent of the affected Owner.

In addition to the above, this Declaration may be amended upon the affirmative vote or written consent, or any combination thereof, of Members representing a Majority of the Total Association Vote and, until the Conversion Date, with the consent of the Declarant. A meeting may be called (but shall not be required to be called) to consider and vote upon any amendment.

Amendments to the Declaration shall become effective upon recordation, unless a later effective date is specified therein. Until Buildout, no provision of this Declaration which reserves or grants rights, privileges, easements, or any authority to the Declarant shall be amended without the prior written consent of the Declarant. Any procedural challenge to an amendment must be made within two (2) months of its recordation. In no event shall a change of conditions or circumstances operate to amend any provisions of the Declaration or Bylaws.

Section 5. **Severability.** Whenever possible, each provision of this Declaration shall be interpreted in such manner as to be effective and valid. If the application of any provision of this Declaration shall be prohibited or held invalid, such prohibition or invalidity shall not affect any other provision or the application of any provision which can be given effect without the invalid provision or application and, to this end, the provisions of this Declaration are declared to be severable.

Section 6. **Captions.** The captions of each Article and Section hereof are inserted only for convenience and are in no way to be construed as defining, limiting, extending, or otherwise modifying or adding to the particular Article or Section to which they refer.

Section 7. **Perpetuities.** If any of the covenants, conditions, restrictions or other provisions of this Declaration shall be unlawful, void or voidable for violation of the rule against perpetuities, then such provisions shall continue only until twenty-one (21) years after the death of the last survivor of the now living descendants of Elizabeth II, Queen of England.

Section 8. **Indemnification.** In accordance with Alabama law, the Association shall indemnify every Person who was or is a party or who is threatened to be made a party to any threatened, pending or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative (other than an action by or in the name of the Association), by reason of the fact that such Person is or was serving as a director or officer of the Association, against any and all

expenses, including attorney's fees, imposed upon or reasonably incurred in connection with any action, suit or proceeding, if such Person acted in a manner reasonably believed to be in or not opposed to the best interests of the Association and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. Any indemnification hereunder shall be made by the Association only as authorized in a specific case upon a determination that indemnification of the person is proper under the circumstances.

The officers and directors shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association (except to the extent that such officers or directors may also be liable as Members of the Association), and the Association shall indemnify and forever hold each such officer and director free and harmless against any and all liability to others on account of any such contract or commitment. Any right of indemnification provided for herein shall not be exclusive of any other rights to which any officer or director, or former officer or director, may be entitled. The Association shall maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such coverage is available at reasonable cost, as determined in the sole discretion of the Board.

Section 9. Contracts Executed During Declarant Control. All contracts or leases executed by or on behalf of the Association prior to the Conversion Date shall contain, or shall be deemed to contain, a termination clause pertaining to the Association to terminate the contract or lease at any time, without cause and without penalty, upon not more than ninety (90) days written notice.

Section 10. Books and Records. The books and records of the Association shall be available to the Members for inspection and copying in accordance with Alabama law.

Every director shall have the absolute right at any reasonable time to inspect all books, records, and documents of the Association and the physical properties owned or controlled by the Association. The right of inspection by a director includes the right to make a reasonable number of extra copies of documents at the expense of the Association.

Section 11. Financial Statements. Financial statements reflecting the accounts of the Association shall be compiled annually in such a manner as the Board may decide; provided, however, after having received the Board's financial statements at the annual meeting, the Members representing a Majority of the Total Association Vote, and until the Conversion Date, with the consent of the Declarant, may require that financial statements of the Association be audited as an Association expense by a certified public accountant. Upon written request of an institutional holder of a First Mortgage, such holder, upon payment of the costs associated therewith, shall be entitled to receive financial statements within ninety (90) days of the date of the request.

Section 12. Notice of Purchase. Upon acquisition of an interest in the Property, the acquiring Owner shall notify the Board in writing of the name of the acquiring Owner and such other information as the Board may reasonably require.

Section 13. Estoppel Certificates. Upon the request of any Member, the Board or its designee shall furnish a written certificate signed by an officer or agent of the Association regarding unpaid assessments levied against that Member's Lot and any violations of the Declaration, Bylaws, or Rules and Regulations, by an Owner or occupant of such Owner's Lot. Such certificate shall bind

the Association with respect to the foregoing matters. The Association may require the advance payment of a processing fee established by the Board from time to time.

Section 14. Agreements. All agreements and determinations, including settlement agreements regarding litigation involving the Association, lawfully authorized by the Board shall be binding upon all Owners, their heirs, legal representatives, successors, assigns and others having an interest in the Community, except that no such agreements shall be binding as to the Land Owner or Declarant until Buildout without the written consent of the Land Owner or Declarant.

Section 15. Implied Rights. The Association may exercise any right or privilege given to it expressly by the Declaration, the Bylaws, the Articles of Incorporation, or the Rules and Regulations and every other right or privilege reasonably to be implied from the existence of any such right or privilege given to it therein or reasonably necessary to effectuate any such right or privilege.

Section 16. Variances. Notwithstanding anything to the contrary contained herein, until Buildout, the Declarant shall be authorized to grant individual variances from any of the provisions of this Declaration or the Bylaws, except the provisions of Article VII of this Declaration regarding assessments, if it determines that waiver of application or enforcement of the provision in a particular case would not be inconsistent with the overall scheme of development for the Community.

Section 17. Conflict. In the event of a conflict between the provisions of this Declaration and the provisions of Alabama law, then to the extent that the provisions of Alabama law cannot be waived by agreement, Alabama law shall control.

Section 18. Security. ALL OWNERS, OCCUPANTS, GUESTS, LICENSEES, AND INVITEES, AS APPLICABLE, ACKNOWLEDGE THAT THE LAND OWNER, THE DECLARANT, THE BUILDERS, THE ASSOCIATION, THE BOARD AND THE DRB DO NOT REPRESENT OR WARRANT THAT ANY SAFETY OR SECURITY MEASURES WILL BE IMPLEMENTED IN THE COMMUNITY OR, IF IMPLEMENTED, THAT SUCH SAFETY OR SECURITY MEASURES MAY NOT BE COMPROMISED OR CIRCUMVENTED, OR THAT ANY SUCH SAFETY OR SECURITY MEASURES WILL IN ALL CASES PROVIDE THE DETECTION OR PROTECTION FOR WHICH THEY ARE DESIGNED. EACH OWNER, OCCUPANT, GUEST, LICENSEE, OR INVITEE, AS APPLICABLE, ACKNOWLEDGES AND UNDERSTANDS THAT THE LAND OWNER, THE DECLARANT, THE ASSOCIATION, THE BOARD AND DRB ARE NOT INSURERS OR PROVIDERS OF SAFETY OR SECURITY AND SHALL HAVE NO DUTY TO PROVIDE ANY SAFETY OR SECURITY ON THE COMMON PROPERTY OR OTHERWISE AND THAT EACH OWNER, OCCUPANT, GUEST, LICENSEE, AND INVITEE ASSUMES ALL RISKS OF PERSONAL INJURY AND PROPERTY DAMAGE AND FURTHER ACKNOWLEDGES THAT THE LAND OWNER, THE DECLARANT, THE BUILDERS, THE ASSOCIATION, THE BOARD, AND DRB HAVE MADE NO REPRESENTATIONS OR WARRANTIES, NOR HAS ANY OWNER, OCCUPANT, GUEST, LICENSEE, OR INVITEE RELIED UPON ANY REPRESENTATIONS OR WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTY OR MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE RELATIVE TO ANY SAFETY OR SECURITY MEASURES IMPLEMENTED OR APPROVED.

Section 19. **Gender and Grammar.** The singular whenever used herein shall be construed to mean and include the plural, when applicable, and vice versa, and the use of the masculine or neuter pronoun shall include the feminine, when applicable, and vice versa, wherever the context requires or permits.

Section 20. **Interpretation.** In all cases, the provisions set forth in this Declaration shall be construed together and given that interpretation or construction which, in the opinion of Declarant, or the Board after the Conversion Date, will best evidence the intent of the general plan of the Community. The provisions hereof are to be liberally interpreted and, if necessary, they shall be so extended or enlarged by implication as to make them fully effective.

Section 21. **Litigation.** No judicial or administrative proceeding shall be commenced or prosecuted by the Association unless approved by at least seventy-five percent (75%) of the Class A Members and the Declarant. This Section shall not apply to: (a) actions brought by the Association to enforce the provisions of this Declaration (including, without limitation, the foreclosure of liens); (b) the imposition and collection of assessments as provided herein; (c) proceedings involving challenges to ad valorem taxation; (d) counterclaims brought by the Association in proceedings instituted against it; or (e) actions brought by the Association against any contractor, vendor, or supplier of goods or services arising out of a contract for goods or services to which the Association is a party. This Section shall not be amended unless such amendment is made unilaterally by the Declarant as provided herein or is approved by the percentage votes necessary to institute proceedings as provided above.

Section 22. **Disclosures Regarding Private Streets and Drainage Facilities.** The Association is responsible for maintaining all storm water detention/retention pond and storm water drainage facilities serving the Community, and any retaining wall, gate, fence, or other enclosure surrounding such storm water detention/retention pond(s) and all water and sanitary sewer lines, if and to the extent such facilities are private and not maintained by a governmental entity or third party and regardless of whether the same are located on a Lot or Common Area; provided, however, the Association is not responsible for the maintenance, repair and replacement of any storm water drainage facilities which exclusively serve a Lot. Additionally, the Association is responsible for maintaining the private Community streets, sidewalks, street signs, any street medians and islands located along such private streets, street lighting, and any landscaping adjacent thereto. The costs associated with such maintenance shall be included in the general assessment as provided in Article VII, Section 3 hereof.
